Our Little Secret Jun 18 2021 At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words: "OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing back, and she is forced to reckon with the past anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that shows a powerful command of the comics medium. *Our Little Secret* is a testament to survival and to the importance of telling your story your way.

Dirty Little Secret Apr 04 2020 He's my brother's best friend. Which makes me off limits. My brother made that clear to all his friends the summer I turned fourteen. That didn't stop me from falling in love with him. From dreaming about sharing my future with him. From wondering what it would be like to be with him. It didn't stop the heated looks he'd send me when no one was paying attention. Or how he always found a way to be near me, to touch me. To protect me. For six years we fought against the waves of desire but the current kept pushing us toward one another. Then I had him. We collided with hurricane force. Our connection... explosive. It felt right, being with him. With the first kiss, I gave him my heart. With the first touch, I gave him my body. When I saw the love in his eyes, I handed over my soul. I should have known it was too good to last, though. The next morning, he was gone, and my heart shattered. I left it on his bedroom floor as I did the walk of shame. It's been nine months since I laid eyes on him. Yes, I've been avoiding this moment. But I can do this. I can fight my attraction for one night. Even if the moment I see him again, I know that night is going to come rushing back to me, along with the days and weeks of agony that followed. Because he still owns every piece of me.

The Name of this Book Is Secret Mar 04 2020 Read the series that's sold more than 2 million copies—if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

The Secret Aug 28 2019 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

Deadly Little Secrets Jul 28 2019 Ann Rule says, "Kathryn Casey is one of the best true crime writers today"—high praise indeed from the author of a host of nonfiction New York Times bestsellers including Green River and The Stranger Beside Me, the story of serial killer Ted Bundy. With Deadly Little Secrets, Casey once again explores the dark side of the Lone Star State, offering a riveting true story of a murderous Texas preacher responsible for the cold-blooded slaying of the mother of his children. Meticulously researched and spellbindingly told, Deadly Little Secrets pulls back the curtain on the horrific crimes of a supposed man of God who was more devoted to the Devil, and it demonstrates why such true crime luminaries as Edgar® Award winner Carleton Stowers and Gregg Olsen are confirmed Kathryn Casey fans. And don't miss Kathryn Casey's latest book, Deliver Us, a riveting account of the brutal murders of young women in the I-45/Texas Killing Fields.
