[Momentos cumbre de la Historia](#) Dec 30 2019 A veces de modo fortuito, otras mediante el engaño, en no pocas ocasiones con derramamiento de sangre, rara vez fruto de planes cuidadosamente elaborados, el curso de la historia se ha visto alterado de manera dramática y decisiva de tal modo que no volvió a ser el mismo. En este libro, César Vidal nos muestra algunos de los principales episodios históricos que cambiaron el rumbo de la Historia y, por ende, de la Humanidad. Desde la derrota de los ejércitos persas por Alejandro o la toma de Constantinopla hasta el fin de la esclavitud, el nacimiento de la democracia moderna o la caída del Muro de Berlín, pasando por las noventa y cinco tesis de Lutero, la redacción de El Principio o el Manifiesto comunista, una serie de acontecimientos son analizados en este libro con una perspectiva rigurosamente histórica. Pero además, César Vidal señala al lector las claves que esclarecen y explican la razón por la que ciertos hechos marcan un antes y después en el discurrir de la Historia y, sobre todo, los expone de tal modo que se puede percibir como si un hilo conductor los conectase en una sucesión coherente con el, a pesar de todo, avance de la civilización y la libertad. Un libro imprescindible para, a través del pasado, interpretar y comprender el presente e imaginar el futuro.

[Bernardino de Sahagun, First Anthropologist](#) Sep 26 2019 Sent from Spain on a religious crusade to Mexico to "detect the sickness of idolatry," Bernardino de Sahagun (c. 1499-1590) instead became the first anthropologist of the New World. This biography presents the life story of a fascinating man who came to Mexico intent on changing the traditions and cultures, but instead ended up working to preserve them.

[Historia portátil de la literatura infantil y juvenil](#) Feb 21 2022 La literatura infantil y juvenil como fenómeno de mercado es reciente, y sus orígenes, lejanos en el tiempo. Conocer su desarrollo, sus principales representantes, sus tendencias es, sin duda, una de las mejores formas de capacitación de todos los que necesitan entender y orientarse en medio de la enorme avalancha de libros existentes en la actualidad. Este libro marca un punto de partida para todos los que buscan un panorama general de la literatura para niños, abriendo puertas para aquellos interesados en profundizar en su conocimiento. Una historia portátil y abaricable que, como buena guía de viajes, nos presenta las muchas direcciones y sentidos a los que la historia de la literatura para niños encamina.

[Mujeres para la historia](#) Sep 06 2020 Setenta años después de la primera participación de las españolas en unas elecciones generales, el Seminario Internacional «Mujer y espacio público en Europa» conmemoraba los acontecimientos que jalónaron la conquista de sus derechos. Bajo la dirección de Rosa Ma Capel, ocho historiadoras recuperaban las figuras de Mary Wollstonecraft, Inés Joyes y Blake, Flora Tristán, Emily Davies y Emilia Pardo Bazán, y su lucha en pos de la igualdad.

[Cuestiones Fundamentales de la Educación Cristiana](#) May 03 2020 Para evitar la cautividad cultural, los fundamentos de la educación cristiana deben ser repensados por cada generación. De no hacerlo, dice el autor, los educadores cristianos corren el riesgo de perpetuar ideas y prácticas anticuadas, ajenas al evangelio. ¿Al explorar con criterio los diversos fundamentos que han predominado y predominan en el pensamiento evangélico, continúa el autor, ¿los educadores pueden enfrentar mejor las necesidades de hoy y los retos del futuro? En Cuestiones fundamentales de la educación cristiana, el autor mismo se entrega a este proceso de evaluación crítica, con importantes resultados. El autor llama a los educadores evangélicos a reafirmar las verdades bíblicas, que constituyen la autoridad esencial para nuestra teoría y práctica, y a incorporar las verdades de otras disciplinas, proceso que tiene que estar sujeto a la continua autoridad de la Palabra de Dios.

[Breve historia de Roma](#) Aug 18 2021 Breve Historia de Roma es una obra de iniciación; o, se se prefiere, de síntesis. Ofrece una visión panorámica, e interdisciplinaria, de Roma, de su historia y de sus instituciones, incluidas, naturalmente, las instituciones jurídicas. Ésta es una Historia narrada con brevedad y sentido crítico. Sigue un orden cronológico, como acreditan las oportunas Tablas; un orden sistemático, el que consta en los respectivos Sumarios; y un orden tipográfico : doble página por capítulo. Por otra parte, es una obra compuesta sobre imágenes. Cada capítulo se centra en torno a un hecho, y a su correspondiente fecha, que admite una cierta representación gráfica. Se trata, por eso, de una serie de imágenes para una historia. Los posibles órdenes de lectura, o de repaso, de esta BREVE HISTORIA DE ROMA son, desde luego, varios, como el propio lector advertirá.

[The Wondrous Story of Anesthesia](#) Oct 08 2020 Edited and written by an international "who's who" of more than 100 authors, including anesthesiologists, nurse anesthetists, bench scientists, a surgeon, and representatives of industry, this text provides a comprehensive history of anesthesia, unique in its focus on the people and events that shaped the specialty around the world, particularly during the past 70 years when anesthesia emerged from empiricism and developed into a science-based practice.

[Historia de Austria](#) Jul 05 2020 Para ser un país pequeño y próspero en el centro de Europa, la moderna Austria tiene una historia muy larga y compleja que se extiende mucho más allá de sus actuales fronteras. Los austriacos de hoy tienen una relación problemática con esa historia, ya sea con la historia multinacional de la Monarquía Habsbúrgica como con el periodo entre 1938 y 1945, cuando los austriacos eran alemanes en el Tercer Reich de Hitler. Este exhaustivo y apasionante libro de Steven Bell examina, paso a paso, el extraordinario camino de Austria a través de sus numerosas transformaciones, desde frontera alemana a empresa dinástica, casa imperial, gran potencia centroeuropea, fallida república alpina, provincia alemana y, finalmente, república alpina de éxito, construyendo, capa tras capa, un retrato de la identidad y la herencia de Austria, así como de sus distintas fuentes. Se trata de una historia llena de anomalías y de ironías, el estudio de un caso particular del «otro lado» de la historia europea, sin las respuestas sencillas de otras narraciones claramente nacionales y, por tanto, mucho más relevante para el mundo actual.

[Indian and Slave Royalists in the Age of Revolution](#) Dec 10 2020 Marcela Echeverri draws a picture of the royalist region of Popayán (modern-day Colombia) that reveals deep chronological layers and multiple social and spatial textures. She uses royalism as a lens to rethink the temporal, spatial, and conceptual boundaries that conventionally structure historical narratives about the Age of Revolution.

[The Book of Rosy](#) Apr 25 2022 "Offers hope in the face of desperate odds" – ELLE Magazine, ELLE's Most Anticipated Books of Summer 2020 "[D]isturbing and unforgettable memoir...This wrenching story brings to vivid life the plight of the many families separated at the U.S.-Mexico border." – Publisher's Weekly, STARRED REVIEW "[The] haunting and eloquent narrative of a Guatemalan woman's desperate search for a better life." – Kirkus, STARRED REVIEW PEOPLE Magazine Best Books of Summer 2020 TIME Magazine Best Books of Summer 2020 PARADE Best Books of Summer 2020 Compelling and urgently important, The Book of Rosy is the unforgettable story of one brave mother and her fight to save her family. When Rosayra "Rosy" Pablo Cruz made the agonizing decision to seek asylum in the United States with two of her children, she knew the journey would be arduous, dangerous, and quite possibly deadly. But she had no choice: violence—from gangs, from crime, from spiraling chaos—was making daily life hell. Rosy knew her family's one chance at survival was to flee Guatemala and go north. After a brutal journey that left them dehydrated, exhausted, and nearly starved, Rosy and her two little boys arrived at the Arizona border. Almost immediately they were seized and forcibly separated by government officials under the Department of Homeland Security's new "zero tolerance" policy. To her horror Rosy discovered that her flight to safety had only just begun. In The Book of Rosy, with an unprecedented level of sharp detail and soulful intimacy, Rosy tells her story, aided by Julie Schwieter Collazo, founder of Immigrant Families Together, the grassroots organization that reunites mothers and children. She reveals the cruelty of the detention facilities, the excruciating pain of feeling her children ripped from her arms, the abiding faith that staved off despair—and the enduring friendship with Julie, which helped her navigate the darkness and the bottomless Orwellian bureaucracy. A gripping account of the human cost of inhumane policies, The Book of Rosy is also a paean to the unbreakable will of people united by true love, a sense of justice, and hope for a better future.

**The Secret History of Costaguana** Oct 27 2019 London, 1903. Joseph Conrad is struggling with his new novel ('I am placing it in South America in a Republic I call Costaguana'). Progress is slow and the great writer needs help from a native of the Caribbean coast of South America. José Altamirano, Colombian at birth, who has just arrived in London, answers the great writer's advertisement and tells him his life story. José has been witness to the most horrible things that a person or a country could suffer, and drags with him not just a guilty conscience but a story that has almost destroyed him. But when *Nostromo* is published the following year José is outraged by what he reads: 'You've eliminated me from my own life. You, Joseph Conrad, have robbed me.' I waved the Weekly in the air again, and then threw it down on his desk. 'Here,' I whispered, my back to the thief, 'I do not exist.' *The Secret History of Costaguana*, the second novel by Juan Gabriel Vásquez to be published in English, is José Altamirano's riposte to Joseph Conrad. It is a big novel, tragic and despairing, comic and insightful by turns, told by a bumptious narrator with a score to settle. It is Latin America's post-modern answer to Europe's modernist vision. It is a superb, joyful, thoughtful and rumbustious novel that will establish Juan Gabriel Vásquez's reputation as one of the leading novelists of his generation.

**Aztec Imperial Strategies** Jun 23 2019 "Based on a ten-week working seminar in 1986, offers new interpretations of the extent, organization, and imperial strategies of the Aztec empire. Analyzes data from the major chroniclers and from individual towns and places throughout the empire. Informa

**Textiles in the Pacific, 1500-1900** Jun 15 2021 Textiles in the Pacific, 1500-1900 brings together 13 articles which include both classics and lesser-known but important works related to the trade and production of textiles in the Pacific region, extending from the tip of Northeast Asia to the other end of South America and Australia. Collectively these articles bring out two central themes, as highlighted in the introduction. First, there is the leading role of textiles in linking up the economies across the Pacific in the era before the 19th-century rise of steam-engine-powered global integration. Second is the crucial role of textile manufacturing and trade in the early stage of industrialization for most of the developing Pacific economies after the 19th century. The volume also reflects both revolutionary shifts in paradigms and revisions of traditional consensus, and seeks to present a more balanced account of global trade and market integration in the early modern period.

**Monuments of Progress** Jun 03 2020 In this groundbreaking book, Claudia Agostoni examines modernization in Mexico City during the era of Porfirio Díaz. She outlines the relationship of "enlightened" ideals of orderliness and hygiene to Mexican initiatives in public health. The implementation of new health policies and programs - such as the construction of a drainage system for the Valley of Mexico - were of utmost importance for the symbolic legitimization of Porfirio Díaz's durable regime (1876-1910), which emphasized modernization over individual rights and liberties. Thus, projects involving drastic engineering measures, authoritarian sanitary administration, and urban improvements were paramount in transforming the city into a healthy environment. Providing detailed analyses of the objectives and activities of the Superior Sanitation Council and, in particular, the work of the sanitary inspectors, *Monuments of Progress* provides a fresh take on the history of medicine and public health, shifting the emphasis away from the history of epidemic disease and the heroes of medicine to public health in a broader social framework. Agostoni's unique study builds on a small but fast-growing body of literature on the history of public health in Latin America, and it will appeal to scholars with an interest in medical history, urban history, and the history of nineteenth-century Mexico. Born in Mexico City, Claudia Agostoni earned her Ph.D. in Latin American cultural studies from King's College London, University of London. She is currently a full-time researcher at the Instituto de Investigaciones Históricas at Universidad Nacional Autónoma de México and lectures in Latin American colonial history.

**Sovereignty and Society in Colonial Brazil** Jul 25 2019 While the Spanish enterprise in America is relatively well known to the English-reading public, the Portuguese tropical empire in Brazil has remained until recently an unknown world. In *Sovereignty and Society*, Stuart B. Schwartz contributes to our understanding of the Brazilian past by providing for the first time a detailed study of the judicial bureaucracy that formed the framework on the colonial regime. This volume describes the process by which royal administrators maintained control and the techniques used by the whole Brazilian elite to guard its interest. At the core of the book is the previously unstudied *Relação* or High Court of Bahia, the supreme tribunal in colonial Brazil and an institution with broad administrative and political powers. Presided over by the governor-general or viceroy, the High Court stood at the apex of the colonial administrative structure and symbolized royal sovereignty. The author examines the origins, functions, conflicts, and history of the *Relação*, relying on little-used manuscript sources in over twenty-five archives and libraries in Brazil, Portugal, Spain, and England as well as the whole range of secondary literature. Of particular interest is the departure from traditional administrative history by emphasis on the people rather than the office of the Portuguese imperial bureaucracy. The bureaucrat-judges of the High Court are at the center of the study, and by a careful analysis of the personal and professional careers of these magistrates, the author demonstrates the utility of a human relations approach to the study of historical politics. He shows how the goals of the crown, the aspirations of the magistrates, and the interests of the Brazilian sugar planter elite were expressed and reconciled and how royal officials and the planters became linked by kinship and interest in a union of wealth and power. Finally, he argues that the penetration of such primary relations in the formal structure of a bureaucratic empire helps to explain the resiliency and the longevity of Portuguese rule in Brazil. The approach and findings of this book will interest not only those seeking a deeper understanding of the Brazilian past, but also historians, sociologists, and political scientists concerned with colonial regimes and bureaucratic politics in general. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1973.

**El Monitor de la Educación Común** Aug 06 2020 Vols. for 1905-19 include Sección oficial, separately pagged.

**Corrupt Circles** Mar 01 2020 The pervasiveness of corruption has been aided by the readiness of both Peruvians and the international community to turn a blind eye.

**The History of Capitalism in Mexico** Nov 08 2020 What lies at the center of the Mexican colonial experience? Should Mexican colonial society be construed as a theoretical monolith, capitalist from its inception, or was it essentially feudal, as traditional historiography viewed it? In this pathfinding study, Enrique Semo offers a fresh vision: that the conflicting social formations of capitalism, feudalism, and tributary despotism provided the basic dynamic of Mexico's social and economic development. Responding to questions raised by contemporary Mexican society, Semo sees the origin of both backwardness and development not in climate, race, or a heterogeneous set of unrelated traits, but rather in the historical interaction of each social formation. In his analysis, Mexico's history is conceived as a succession of socioeconomic formations, each growing within the "womb" of its predecessor. Semo sees the task of economic history to analyze each of these formations and to construct models that will help us understand the laws of its evolution. His premise is that economic history contributes to our understanding of the present not by formulating universal laws, but by studying the laws of development and progression of concrete economic systems. The History of Capitalism in Mexico opens with the Conquest and concludes with the onset of the profound socioeconomic transformation of the last fifty years of the colony, a period clearly representing the precapitalist phase of Mexican development. In the course of his discussion, Semo addresses the role of dependency—an important theoretical innovation—and introduces the concept of tributary despotism, relating it to the problems of Indian society and economy. He also provides a novel examination of the changing role of the church throughout Mexican colonial history. The result is a comprehensive picture, which offers a provocative alternative to the increasingly detailed and monographic approach that currently dominates the writing of history. Originally published as *Historia del capitalismo en México* in 1973, this classic work is now available for the first time in English. It will be of interest to specialists in Mexican colonial history, as well as to general readers.

**Un conguero para la historia** Mar 25 2022 Cuando todos los congueros imitaban al rey de las manos duras, Ray Barreto, Jimmie logra -sin proponérselo- ser el elegido por el maestro Willie Rosario para acompañar con la conga el afín que ya Rosario había establecido. Esa originalidad de Willie Rosario tuvo que haber influido en el estilo impecable de Jimmie. No olvidemos que cuando todos los timbaleros imitaban al maestro Tito Puente, aquel coameño irreverente -el maestro de maestros Willie Rosario- supo ser original. Jimmie abonó la suerte que le acompañó en ese momento crucial con una inmensa dosis de vocación. Y aquel golpe de suerte en el cuero no logró borrar la humedad de su ser. Los invito a leer lo que he logrado recopilar sobre Jimmie Morales, a quien, con su autorización muestro en este trabajo que pretendo ser un resumen de la vida y obra de este increíble músico. Verán, además, que a pesar de su perenne sonrisa tímida sus "manos de piedra" no dan tregua ni permiten que la música tropical ignore su monumental influencia. Jimmie, el ser humano que comunica a través del cuero de su conga nos presenta la fortaleza de su golpe, que sigue compartiendo con el mundo musical. Agradezco profundamente la introspección y la candidez de su testimonio. Reconozco que soy afortunado de que Jimmie haya accedido a regalarme parte de su voz y perpetuar esta historia. Insisto que fue un pecado no compartir este legado antes, pero ahora fue que Mister Slap hizo sonar el tambor. Bella Martínez - autora Puerto Rico

**Historia Personal** Nov 28 2019 PREMIO PULITZER DE BIOGRAFÍA AHORA EN LA GRAN PANTALLA En esta aclamada autobiografía y bestseller internacional, Katharine Graham, la mujer que lideró el Washington Post a través de la crisis de los "Papeles del Pentágono" y el escándalo de Watergate, cuenta su historia extraordinaria, tanto por los eventos que abarca como por el coraje, la franqueza y la dignidad de su narración. Nos encontramos con a la niña torpe que creció en medio de la riqueza material y el aislamiento emocional; la joven novia que vio cómo su brillante y carismático esposo, confidente de John F. Kennedy y Lyndon Johnson, caía en la enfermedad mental que culminaría en su suicidio. Pero también encontramos a la viuda que sacudió su dolor e inseguridad para enfrentarse a un presidente y un sindicato de prensa mientras ingresaba cautelosamente en el negocio de los periódicos, en ese entonces liderado por hombres. Incansablemente reveladora, elegantemente escrita, *Historia personal* es un registro ejemplar de nuestro tiempo y de la mujer que desempeñó un papel ejemplar, descubriendo su propia fuerza y confianza en sí misma al enfrentar y dominar las crisis personales y profesionales de una vida extraordinariamente fascinante.

**Dad, I Want to Hear Your Story** Feb 09 2021 Every Dad deserves to get this book! Inspire your Dad to tell his story by surprising him with this adorable journal. Discover his stories, share his life, and create a lasting keepsake. The book contains more than 110 questions and prompts to help your Dad enjoy writing about his childhood, school days, home life, becoming a father, his hopes for the future and many more questions you've never thought to ask! The perfect gift for any Dad on Father's Day, birthdays, Christmas or any day of the year. His life - a story only he can share. His Love - a feeling everyone reading this book can share. This book provides a great way to really getting to know your Dad. Book features: Beautiful glossy cover; 6x9 inch size; 110+ questions for your Dad to share his beliefs, traditions, and treasured moments that have made them who they are today; Additional pages for sharing more thoughts, memories and messages to the readers; Cherish your Dad's handwriting and words for a lifetime and pass it down from one generation to the next in this amazing book. Show your Dad how much you love and appreciate him by giving him the gift of memories and legacy. Imagine sitting with your children and reading this beautiful and precious record of your Dad's life. Use these pages to fill with one-of-a-kind memories. Put everything inside: special moments, an unforgettable adventure, a piece of advice to share. When finished, this will become a gift that will be loved for generations. Your Dad's life is a gift worth remembering! Dads, get this book and share with your children! So Get this book Today and ensure that his memories and stories always last! Available for all the family. Check our author page for other versions
