Field of Prey Aug 02 2022 The extraordinary new Lucas Davenport thriller from the number one New York Times–bestselling author and Pulitzer Prize winner John Sandford. ‘He knows where the bodies are buried.’ A familiar expression, often said with a laugh. But in Lucas Davenport’s line of work, it’s sometimes all too true.... When a county deputy is called out to an abandoned farmhouse in the cornfields of Minnesota by a couple of terrified teenagers, he finds that a body has been stuffed down a cistern. And then another, and another. By the time Lucas Davenport is called in, the police are up to fifteen bodies, and counting. And when Lucas begins to investigate, he makes some disturbing discoveries of his own. The victims have been killed over a great many years, one every summer, regular as clockwork. How could this have happened without anybody noticing? Because one thing was for sure: The killer has to live close by. He is probably even someone they see every day...

Invisible Prey Mar 17 2021 “A crackling addition to [the] Prey series” (Entertainment Weekly) from #1 New York Times bestselling author John Sandford. In a wealthy Minneapolis neighborhood, two elderly women are bludgeoned to death. They are apparent victims of a random robbery, though nothing of value appears to have been stolen. But when Lucas Davenport looks deeper, he fears that the victims weren’t so random, and the items stolen were far from invaluable. As a pattern emerges it leads Lucas to...certainly not where he expected. Which is too bad, because the killers are expecting him. And that’s only the first surprise...

Chosen Prey Mar 29 2022 He seems like such a nice man. You’d never guess what was going on in his mind... Art history professor James Qatar has a hobby: he takes secret photographs of women to fuel more elaborate fantasies. When he’s alone. Behind locked doors. Then one day, he goes a step further and... well, one thing leads to another. Qatar has no choice. He has to kill her. And you know something? He likes it. When Deputy Chief Lucas Davenport takes the case, he assumes it’ll be straightforward police work. He couldn’t be more wrong. As the investigation trail takes some unexpected turns, it becomes clear that nothing is straightforward about this killer, his victims, or his motives. And to stop him Lucas has no choice but to walk right into his lair. WITH A NEW INTRODUCTION BY JOHN SANDFORD

Invisible Prey Oct 31 2019 In the richest neighbourhood of Minneapolis, two elderly women lie murdered in their home, beaten to death with a metal pipe, the rooms ransacked, only small items stolen. It’s clearly a random break-in by someone looking for money to buy drugs. But as he looks more closely, Lucas Davenport begins to wonder if the items are actually so small or the victims so random, if there might not be some invisible agenda at work here. Gradually, a pattern begins to emerge - and it will lead Davenport to somewhere he next expected. Which is too bad, because the killers - and there is more than one of them - the killers are expecting him.

Ocean Prey Apr 29 2022 Fan-favorite heroes Lucas Davenport and Virgil Flowers join forces on a deadly maritime case in the remarkable new novel from #1 New York Times–bestselling author John Sandford. An off-duty Coast Guardsman is fishing with his family when he calls in some suspicious behavior from a nearby boat. It’s a snazzy craft, slick and outfitted with extra horsepower, and is zipping along until it slows to pick up a surfaced diver . . . a diver who was apparently alone, without his own boat, in the middle of the ocean. None of it makes sense unless there’s something hinky going on, and his hunch is proved right when all three Guardsmen who come out to investigate are shot and killed. They’re federal officers killed on the job, which means the case is the FBI’s turf. When the FBI’s investigation stalls out, they call in Lucas Davenport. Stolen Prey Aug 10 2020 A senseless slaughter leads Lucas Davenport down a twisted path in this thriller from the #1 New York Times bestselling author. Lucas Davenport has seen many terrible murder scenes. This is one of the worst. In the Minnesota town of Wayzata, an entire family has been killed—husband, wife, two kids, dogs. On the wall, in blood: “Were coming.” No apostrophe. There’s something about the scene that tugs at Lucas’s cop instincts—it looks an awful lot like the kind of scorched-earth retribution he’s seen from Mexican drug gangs. But this is a seriously upscale town, the husband ran a modest software company, the wife dabbled in local politics. None of it seems to fit. Until it does...

Find out why Stephen King calls John Sandford 'one of the great novelists of all time!' Lucas Davenport had crossed paths with her before. A rich psychopath, Taryn Grant had run successfully for the U.S. Senate, where Lucas had predicted she'd fit right in. He was also convinced that she'd been responsible for three murders, though he'd never been able to prove it. Once a psychopath had gotten that kind of rush, though, he or she often needed another fix, so he figured he might be seeing her again. He was right. A federal marshal now, with a very wide scope of investigation, he's heard rumors that Grant has found her seat on the Senate intelligence committee, and the contacts she's made from it, to be very...useful. Pinning those rumors down was likely to be just as difficult as before, and considerably more dangerous. But they had unfinished business, he and Grant. One way or the other, he was going to see it through to the end. ***READERS LOVE THE PREY SERIES*** 'The best Lucas Davenport story so far. The governor can't believe it—the senator's way too smart for that, even if he is from the other party. Something's not right. As Davenport investigates, the trail leads to a political fixer who has disappeared, then—troublingly—to the Minneapolis police department itself, and most unsettling of all, to a woman who could give Machiavelli lessons in manipulation. She has very definite ideas about the way the world should work—along with the money, ruthlessness, and cold-blooded will to make it happen.

Silken Prey Dec 26 2021 Murder, scandal, political espionage and an extremely dangerous woman. Lucas Davenport's going to be lucky to get out of this one alive. A Minnesota political fixer has hit the jackpot - or so he thinks. Hired to take down the incumbent U.S. senator with a vicious smear, to open the way for an ambitious, take-no-prisoners heiress who sees the Senate as merely a stepping-stone, he decides his payoff should be larger. The blackmail demand should yield some pretty large numbers, he thinks. Instead, he gets only a small one - 9 millimeters, to be exact. In the heart, Davenport is investigating the smear when the trail leads to the man's disappearance, then - very troublingly - to the Minneapolis police department, then - most troublingly of all - to a woman who could give Machiavelli lessons. She has very definite ideas about the way the world should work, and the money, ruthlessness and sheer will to make it happen. No matter who gets in the way.

Masked Prey Jul 01 2022 Lucas Davenport investigates a vitriolic blog that seems to be targeting the children of U.S. politicians in the latest thriller by #1 New York Times-bestselling author John Sandford. The daughter of a U.S. Senator is monitoring her social media presence when she finds a picture of herself on a strange blog. And there are other pictures . . . of the children of other influential Washington politicians, walking or standing outside their schools, each identified by name. Surrounding the photos are texts of vicious political rants from a motley variety of radical groups. It's obviously alarming--is there an unstable extremist tracking the loved ones of powerful politicians with deadly intent? But when the FBI is called in, there isn't much the feds can do. The anonymous photographer can't be pinned down to one location or IP address, and more importantly, at least to the paper-processing bureaucrats, no crime has actually been committed. With nowhere else to turn, influential Senators decide to call in someone who can operate outside the FBI's constraints: Lucas Davenport.

Golden Prey Feb 25 2022 THE NEW YORK TIMES BESTSELLER Lucas Davenport's first case as a U.S. Marshal sends him into uncharted territory in the thrilling new novel in the #1 New York Times bestselling series. He gets to pick his own cases, whatever they are, wherever they lead him. And where they've led him this time is into real trouble. A Biloxi, Mississippi, drug-cartel counting house gets robbed, and suitcases full of cash disappear, leaving behind five bodies, including that of a six-year-old girl. Davenport takes the case, which quickly spirals out of control, as cartel assassins, including a torturer known as the "Queen of home-improvement tools" compete with Davenport to find the Dixie Hicks shooters who knocked over the counting house. Things get ugly real fast, and neither the cartel killers nor the holdup men give a damn about whose lives Davenport might have saved; to them, he's just another large target. Filled with his trademark razor-sharp plotting and some of the best characters in suspense fiction, *Golden Prey* is further reason why "Sandford has always been at the top of any list of great mystery writers" (The Huffington Post).
