It will not waste your time. acknowledge me, the e-book will entirely express you additional event to read. Just invest little mature to read this on-line proclamation Manifesto Three Classic Essays On How To Change The World Che Guevara as without difficulty as evaluation them wherever you are now.

How to Develop Professional Selling Skills & Techniques Based on Common Sense & Ethics Dec 14 2020 The message I have for salespeople is based on the knowledge and experience I have acquired from over 45 years of real world selling, sales management, sales training and management of customer service/support centers. The knowledge and insights I want to pass along with my book have not been learned in sales training classes and seminars I have attended or books I have read. The finer selling and human relation techniques I have developed and presented in my book have been learned in the real world of selling. This book is intended to make salespeople aware of the advanced techniques of how to become a successful professional salesperson. These techniques will enable salespeople to attain a higher level of professionalism, confidence, enthusiasm and success when selling. They will be able to separate themselves as true professionals from the crowded field of other capable sales people in their lines of business. My objective is to pass along the knowledge and insights that I have acquired throughout my years of real world selling. This book identifies common selling mistakes and how to avoid them. This book will also reveal to you the many proven, successful selling techniques that I have learned and developed over the years. By learning, understanding and applying these finer techniques of selling, you will be able to further develop your existing selling talents, abilities and skills into your own personalized "art form" of selling! Another purpose of this book is to present guidelines on how to develop, practice and implement techniques for successful, professional selling based on common sense and ethics. Using a common sense approach towards selling will build upon the fact that becoming a successful salesperson involves maintaining a positive frame of mind. It has to do with how you think. It has to do with how you approach selling in your mind and place trust in your intuition. A successful salesperson's two most valuable assets are their mind and their time. Ethics is presented as a key approach. Ethics is such an important topic that I felt the need to instruct salespeople on how to professionally develop and earn their customer's confidence and trust based on ethical business practices. This book will present information and examples on how to develop professional selling skills based on ethical standards. These standards will relate directly to your moral character. The strength of you character will be based on your ability to develop and adhere to high moral standards and principles that will help to set you apart from other salespeople. This book is divided into two sections. The first section examines "Selling Essentials." In the second section, I focus on the "Secrets Of Selling" where I reveal my "120 Fundamental Secrets Of Professional Salespeople." The information, suggestions, techniques, strategies and insights in this book are candid, straightforward, realistic and in focus. They are presented in a condensed form so that they can be easily remembered, referred to and applied on a daily basis. The chapters are designed to be easily read, digested and implemented by the reader. The brevity of some chapters is intended to appeal to people seeking real world, practical, no-nonsense answers to making themselves better salespeople and, therefore, making their sales team more effective.

The Power of Mindset: 14 Life Changing Principles on How to Achieve True Happiness and Success Mar 05 2020
Wisdom on How to Live Life (Book 3) Nov 24 2021 Humans being the most intelligent species and having lived on Earth for

thousands of years, we are yet nowhere near to a life of peace, love, joy and harmony. This book contains a story of a young man, Tom, who had a fourth conversation with Guru Harry. This is a continuation of their first three conversations which are contained in the books "Wisdom on How to Live Life" and "Wisdom on How to Live Life (Book 2)" Guru Harry epitomizes someone from a spiritual society who offers a way of living which can lead to peace, love, joy and harmony. Through this fourth conversation, Tom learnt that (1) why we should live our lives according to our wishes, (2) why it is better to have morality than money, (3) why somebody who did ten good deeds is better than another who did one hundred good deeds and one bad deed, (4) what is the negative response we need to prepare for when we do good, (5) why life is getting harder and harder, (6) why it is better to solve problems with spiritual solutions than physical solutions, (7) why there is so much fear on Earth, (8) why it is better to believe that there is no heaven, (9) why masters do not directly bring heaven to Earth, and (10) how to build a loving society.

[Recovering Redemption Aug 29 2019](#) You can't. God can. Life never lacks for improvement—in ourselves, in our relationships, in just about everything. But all our brave stabs at getting better, if they ever change anything, are incomplete at best, complete failures at worst. Sometimes much worse. Unless . . . The gospel of Jesus Christ is the great "unless" of life—both for those who already believe (but can't believe the messes they're still capable of making), as well as those who don't yet believe but just know their way isn't working. Recovering Redemption, written with a pastor's bold intensity and a counselor's discerning insight, takes you deeply into Scripture to take you deeply inside yourself, discovering that the heart of all our problems is truly the problem of our hearts. But because of what God has done, and because of what God can do, the most confident, contented person you know could actually be you—redeemed through Jesus Christ. None of us, really, can do what's required to change our lives for the better, taking what's persistently frustrating and making it perfectly satisfying. Yet as hopeless as that may sound, it is the flat-line truth in which good news comes to life . . . to your life. For just as what's lost can be found, what's wrong can—even now—be recovered.

[The Soul's Perspective on How to Achieve Perfect Radiant Health Sep 03 2022](#) One of the most revolutionary and profound books ever written on the subject of how to achieve perfect radiant health from God's or the Soul's perspective. There are thousands of books on physical health which are excellent; however, they only focus on the physical level of health. This book is a self-help book giving you in-depth training on how to achieve perfect physical health from a Spiritual, mental, emotional, energetic, physical and Earthly level. Health will be profoundly increased by any person if they approach it from all the levels I have mentioned. This book is a revolutionary cutting-edge book that addresses the other 90% of how to achieve perfect health that traditional modalities don't often consider! Spiritually electrifying reading!

[How to Open and Run a Money-Making Travel Agency Feb 02 2020](#) How to Open and Run A Money-Making Travel Agency Pamela Fremont Travel and tourism, the country's second largest retail industry and one of the fastest growing career fields, can offer you lucrative, money-making opportunities. And it has great fringe benefits, including the chance to see the world, stay at the finest hotels, and wine and dine in the best restaurants. But are the rewards of going into this business for yourself really greater than the risks involved? And if they are, how do you begin setting up your own agency? How to Open and Run a Money-Making Travel Agency answers these questions and more, by providing you with practical, step-by-step guidance on establishing and running an agency for maximum profit. In this easy-to-understand handbook, Pamela Fremont shares her more than seventeen years of experience in the travel field, revealing the hard-nose, day-to-day details as well as the glamour and excitement. From advice on how to get started—whether to go it alone or with a partner—to tips on how to get accredited and how to choose a staff, she shows you the proven steps to becoming a qualified travel agent. And she gives you valuable inside information on why specializing in one of five new travel areas—inbound travel, in-plant agencies, incentive travel, business groups, or vacation travel—could be your ticket to unlimited business success.

[Rediscovering Your New Life: A Guide on How to Experience God's Greater Blessings Oct 24 2021](#) A blessing is a favor or thing that is conducive to happiness or welfare. Everybody at one point or another needs a blessing be it happiness, provision, a sense of purpose, peace, joy, self-fulfillment, a sense of security, health, good relationships, favor, self-esteem, assurance in times of uncertainty, spiritual growth, anointing, sweet fellowship with God; the list is unending. There are blessings and there are greater blessings. It is God's will and good pleasure to give you His greater blessings however, many Christians haven't been able to experience God at this level. The author through this book gives an in-depth yet easy to read teaching on how to receive and maintain the greater blessings of God. Don't dwell at the level of the blessing, go higher to the realm of the greater blessings. With every chapter packed with deep truths of the word of God and more than 200 scriptural references, you will be edified whether you are a novice or experienced with scriptures.

[The Ultimate Guide on How to Raise Your Kundalini May 31 2022](#) The awakening of the kundalini is made possible by practicing the right kind of yoga and meditation. In normal circumstances, the awakening of the kundalini is supposed to happen within 11 million manifestations in the form of a human being. A serious seeker of spirituality always desires the earliest possible awakening of the kundalini. Some have even defined it as a person's creative potential. While this may be the case for some, who can look to symbolism to gain meaning from kundalini, it's a very real and quite literal experience for others. Let's Begin!

A supplemental resource to this workbook, Lost Connections: Healing from Grief from Romantic Relationship Dissolution, is a selection of guided imagery audio exercises to help you heal from the grief of your romantic relationship or divorce.

A Chicano Manual on how to Handle Gringos Jan 03 2020 A tongue-in-cheek how to guide written by a hero of the Chicano movement for the education of grass-roots leaders Under this somewhat threatening title, the renowned civil rights leader Jose Angel Gutierrez provides a guidebook to minority empowerment through the use of analysis, practical experience and anecdote. His primary goal is the conversion of Latino demographic power into educational, economic and political power. In an incisive introduction, Gutierrez analyzes the types of power and evaluates Chicano and Latino access to power at various levels in U.S. society. In very plain, down-to-earth language and examples, Gutierrez takes pains to make his broad knowledge and experience available to everyone, but especially to those who want to be activists for themselves and their communities. For him the empowerment of a minority or working-class person can transfer into greater empowerment of the whole community. This manual penned by the founder of the only successful Hispanic political party, La Raza Unida, brings together an impressive breadth of models to either follow or avoid. Quite often, Gutierrez's voice is not only the seasoned voice of reason, but also that of humor, wry wit and satire. If nothing else, The Chicano Manual on How to Handle Gringos is a wonderful survey of the Chicano and Latino community on the move in all spheres of life in the United States on the very eve of its demographic and cultural ascendancy.

Life's Little Instruction Book May 07 2020 A collection of advice on how to live a happy and rewarding life

Cuss Control Feb 13 2021 FINALLY-THE CURE FOR THE COMMON CURSE! Faced with an epidemic of profanity, our country is in need of practical suggestions for breaking a habit that has ordinary citizens contributing to the decline of civility and good manners. It's not always easy to resist the urge to cuss, but foul language creates an unfavorable image, is damaging to relationships, and goes hand-in-hand with a negative attitude. Now, James V. O'Connor-founder of the Cuss Control Academy-offers the first book to explain why we swear and how we can learn to hold our tongues. Cuss Control doesn't call for the total elimination of swearing, just for its confinement to situations where extreme emotion (think hammer, think thumb) demand it. His program for easing us off the gutter-talk highway involves alternative "potent phrases" for classic curses, including the F-word; ways to communicate clearly rather than use lazy language; and tips on adjusting our attitude and abolishing obscenities. Packed with practical exercises and tips, as well as thoughtful reflection on how we've worked ourselves up into such a state of affairs, Cuss Control is a refreshing celebration of the joys of a civil tongue. "O'Connor is not ready to rid the world of dirty words. He just thinks less cursing is the key to a less stressful world, and maintains that even natural-born cursers can learn to control their anger along with their language." -Knight-Ridder Newspapers

Robots can't do networking (yet). 12 takeaways on how to create and manage interpersonal relationships in the digital era Dec 26 2021 "What counts is what's written on your curriculum vitae, what you've done." Until yesterday this was the rule that governed rising to the top in the professional world. The current job market, on the other hand, seems to be increasingly interested in the so-called soft skills, the aptitude skills that make one profile more suitable than another. The "queen" of these soft skills, the one that will allow both young people and their elders to face the exponential social and technological changes that await us, is the ability to create and maintain interpersonal and professional relationships over time. In other words: networking. The book tells a personal story in a simple, passionate and detailed way so that readers can understand the dynamics that regulate the creation of an effective network of contacts. Real cases are dissected in clear, methodological takeaways and summed up by quotes that show how the fruits of forty years can be replicated and are within the reader's reach through training and good techniques.

How to Save Thousands of Dollars on Your Home Mortgage Jun 07 2020 Find The Home Mortgage That's Right For You Finding the right mortgage can be complex, confusing, and frustrating. But that doesn't mean you have to settle for anything other than the terms you want. This indispensable and newly updated second edition of How to Save Thousands of Dollars on Your Home Mortgage spells out everything mortgage hunters need to know in clear and accessible terms. It covers more loan alternatives than any other book and examines the importance of discount points. It offers complete details on virtually every mortgage option currently available, what advantages each option offers, how to choose the right one for your needs, and how to save money in the process. New information in this edition will help you use the Internet to find a home and get a mortgage, examine automated underwriting models and conforming loan limits, and weigh new shopping strategies. Easy-to-read charts and graphs, helpful sample forms, and numerous examples will help you understand: * First-time buyers programs * APR, buy-downs, reverse mortgages, accelerated payoffs, and zero point loans * Refinancing strategies * Closing costs, lender fees, and other expenses * How to dispute credit report errors and fix credit problems * How to use the Internet for loan analysis

Building radon out a stepbystep guide on how to build radonresistant homes. Aug 22 2021

Speaking Technically: A Handbook For Scientists, Engineers And Physicians On How To Improve Technical Presentations Jul 21 2021 This is a concise guide for anyone who has ever found the prospect of speaking technically to be daunting. The author draws upon his observations of people speaking technically in after-dinner speeches; conference presentations; coping with visitors; inaugural lectures; industrial presentations; industrial tourism; lectures to students; presentations to funding bodies; project reports; public inquiries; school talks; section and departmental meetings; telephone calls and consultations. He offers the reader practical tools and principles for organising information and making technical communication lively and memorable. Complete with highlighted points, checklists and review points for easy reference and practice, Speaking Technically is for anyone who has ideas and information to communicate, wants to do so effectively, finds

the process stressful and has little time to prepare./a

How to Store Hazwaste On-site Without a Permit Aug 10 2020

Pathway to Nirvana Dec 02 2019 Pathway to Nirvana By Nirvana This is a book on how you can end depression and bring about a state in which you are naturally happy. Everything in this universe is working to achieve balance, and how you feel emotionally is the result of the balance your mind has achieved. By doing the techniques in this book you actively create a balance in your mind, resulting in your life becoming naturally happy. There are numerous benefits to becoming naturally happy, such as you generating positive energy and you becoming a quality person. About the Author For over two decades, Nirvana has experimented with different techniques to come up with the ones that are the most effective at increasing happiness. Nirvana's goal has been to push the envelope and see just how extreme the levels of happiness are of which we are capable of achieving. The techniques that bring about happiness would also have to be simple and easy to use, ones that anyone can do. Nirvana does not have a psychology or psychiatry degree, but rather he is a trailblazer coming up with the new ways to increase happiness.

Going Home: Information and Insights on How to Prepare to Visit, Repatriate or Live as an Expatriate in Africa. Jun 19 2021 Africa is the ideal continent for those seeking the excitement of visiting places considered to be exotic, full of ancient monuments and primitive people. It is also described in travel related books and media as a continent of fascinating cultures, beautiful scenery, extraordinary animals and the best safari and wild game hunting in the world. Nothing short of a tourist paradise. For those with a tourist based interest in Africa, information and data about the African continent are easily accessible on travel websites, books and publications. But there's a lot more to Africa. To millions of people, Africa represents a continent to be proud of, to call the motherland and to regard as their ancestral home. These are people of African descent from around the globe who relate to Africa in the context of their ancestral connection to the oldest continent on earth and what it means to them. For such people, questions that come to mind include which country to travel to when they decide to visit or repatriate to Africa, are they welcome, how would they cope with the change in cultures, general lifestyles, traditions and social mores they know nothing about. Lately, for those repatriating to live in Africa on a permanent basis, it becomes even more complicated and brings on the absolute necessity of making adequate preparations. This is the main reason for the publication of this book. Our goal is to provide readers with real insight, valuable information and data on current trends in the new Africa with the aim of making it a lot easier for them to have a better understanding of Africa and Africans, regardless of how long they will be in Africa or the reason for going there.

How to Go to College on a Shoe String Jan 15 2021 Once again in 2006 the cost to attend college was double the inflation rate, according to the report "Trends in College Pricing 2006". The average rate of tuition at four-year private colleges was about \$21,235; four-year public universities average \$5,491. Tuition costs, of course, are just the beginning now add room and board, the cost of attending a private college is \$29,026 per year on average, and \$12,127 at four-year public universities. Take a look at IVY league universities such as Princeton and the total fees will climb to nearly \$37,000. An 8% college inflation rate means that the cost of college doubles every nine years. For a baby born today, this means that college costs will be more than three times current rates when the child is ready for college. The average debt for graduating college seniors who borrow to finance their undergraduate degree is just under \$20,000. But there is good news. There is more financial aid available than ever before over \$134 billion. And, despite all of these college cost increases, a college education remains an affordable choice for most families. Armed with the information detailed in this comprehensive book you will be privy to over 2,200 programs that offer scholarships, internships, or loans to more than 1.7 million students each year. These are scholarships, grants, and loan programs that you have never heard of for example: The Millennium Scholarship Offers \$10,000 to students who have lived in Nevada for at least two years before they graduate from high school. State-funded by Nevada's portion of the lawsuit settlement against national tobacco companies. Or Patrick Kerr Skateboard Scholarship One \$5,000 and three \$1,000 scholarships to students who promote skateboarding. Created by a Philadelphia mother after her 15-year-old son was killed while skateboarding. Are you tall ? Then apply for the Tall Clubs International Scholarship, Males 6'2" or taller and females 5'10" or higher qualify for a \$1000.00 scholarship. In addition to scholarships and grants you will learn hundreds of innovative ways to slash your college cost including: calculating your college budget, Ways to Reduce your college budget, buy your text books & supplies cheap, Earn college credit on an accelerated basis, CLEP, Earn college credit outside the traditional classroom, Make use of payment alternatives, Tax credits, Combine higher education and course-related employment, National and community service, Tuition prepayment plans, Federal Funds, State Aid, credit card use, Private Sector Aid, College Funds. How to apply for loans, grants and scholarships, Preparing the financial Aid Packages, Saving for college, retirement funds, what to do when you are parents are divorced, getting awards, Private Scholarships, The Military, National Service, working while going to school, inexpensive dating ideas, medical & dental coverage, your car, your cell phone, your computer, your dorm room, spring break, entertainment, transportation. Maybe saving money to you does not matter, perhaps you won the lottery, but if you want to learn hundreds of innovative ways to save thousands on your college costs than this book is for you.

Marriage Counseling for Couples: On How to Fix Your Marriage Jan 27 2022 are you having problems with your marriage? The book is filled with great tips that can help any couple, to fix the problems that they are having no matter how dire the situation may seem at the outset. Communication is one of the main points that are highlighted throughout the book. Without communication a relationship is doomed. Learn how to get back to the love in the marriage by resolving and compromising with a copy of this book.

Soccer: A Step-by-Step Guide on How to Stop the Other Team, About Each Player on a Team, and How to Lead Your Players, Manage Sep 30 2019 A player who couldn't defend. A bleak soccer future as a bench-warmer. A coach who lacked confidence on what to do. Do you enjoy soccer, but can't stand not being confident on what to do while defending? Wish you knew all the different soccer positions to really help your team outsmart your opponents? Are you a coach that has little time with your team to practice and wants to make the most of it? If any of these situations describe you, you are not alone. This 3-in-1 bundled book is the 5th, 6th, and 7th books of the Understand Soccer Series. Therefore, you get the following three books for the price of two: 1. Soccer Defending: 2. Soccer Positions: 3. Soccer Coaching. From these three books, you will: - Learn the direction you should be pushing the attacking player to make it way easier to stop him or her. - Discover several positions you likely have never heard of and how they can help your team win. - Find the 20% of coaching topics that will give

you 80%+ of the results. Why does learning these things matter? Well, building your knowledge grows your confidence. Self-esteem is key for any soccer player/coach. Excitingly, this bundled book lays out step-by-step what you should work on and the most important keys to being able to perform. Yes, other author's will fill up their pages with tips for various situations, but never really say which things to know are the most important and will make the biggest difference in your game. This book does exactly that. This book provides the structure to ensure that you are not just getting a little information in one spot and some knowledge in another without being able to understand the entire picture of how it all works together. It is time for hours of effort to finally pay off. Become the player/coach that changes every game from here on out. Pick up your copy today by clicking BUY NOW.

The Keto Diet Guide Cookbook: A Guide on How to Stay in Ketosis Aug 02 2022 The popularity of the ketogenic diet and intermittent fasting has recently been on the increase and you're certainly one of those who have become interested in the dietary regimens. Both of them work the same way in so many and having a low-carb diet can even make it quite easier to practice intermittent fasting. This book is for those who want to take a step further in their keto journey toward enjoying the amazing health benefits of combining the keto diet with intermittent fasting. You will be getting some great keto diet recipes along with a shopping list to help guide you on what you need to purchase. Some of the challenges most individuals on the keto diet experience include dehydration, keto flu, and electrolyte imbalance. By reading this book, you will discover various ways to replenish your electrolytes and stay hydrated while on a keto diet. This content will also look at various concepts associated with keto such as carb cycling, ketosis, and how to deal with high fasting blood glucose. One of the challenges of sticking to a keto diet is the fact that it may lead to what is known as keto flu. Part of the reason for this is that you may not be getting the sufficient level of nutrients you require since you're not eating much. Even when you're consuming the same quantity of food you normally eat, you're often restricted to certain kinds of foods. One of the ways to manage such challenges is supplementation. We shall also be looking at the reasons why you need to take different types of keto supplements as well as the different types of supplements that will enhance athletic performance

How to Spend Less on Heating Sep 10 2020 Advice and ideas on how to get started on your road to reducing your home's heat use.

How to Sail on a Budget Jul 09 2020 Looks at the different areas of expenditure and examines the range of options available to keep the costs of boating under control.

Tips On How To Be A Better Man Oct 04 2022 This guide is designed for men who feel that some changes could improve their lives. Men who feel lost, for some reason, and need a little push into a right direction. Men who want to be manlier. If you ended up reading this, you are probably one of them. The set of advices introduced here will help you to achieve higher standards of your life, start looking wider around yourself, seeing things you have never thought about before or thought were not so important. This is not, however, a set of commandments which you have to obey no matter what. Every person is different, has different needs and expectations. Bringing some of the advices into life should be consulted with a competent person (such as dietician or psychologist). It is a collection of general outlines elaborated and based on personal experience as well as conversations about life with friends and strangers. The guide should be confronted with common sense so that neither you nor people close to you get hurt. Related advices: - Correct life attitude, - Work, - Right habits, - Self Improvement, - Relationships, - Health, - Woman Ok, enough with the talking. Let's get started and change your life for better today!

The Book of Men Apr 05 2020 Featuring contributions from James Lee Burke, Ian McEwan, Salman Rushdie and Amy Bloom, this collection, penned to help launch the literary nonprofit Narrative 4, contains 80 stories that ponder what it means to be a man. 30,000 first printing.

Puppy Training Oct 31 2019 Puppy Training - The Ultimate Guide On How To Train Your Puppy To Become A Well Behaved Dog You are about to discover what puppy training is all about, how to train puppies and how to properly deal with unwanted behavior. In Puppy Training - The Ultimate Guide On How To Train Your Puppy To Become A Well Behaved Dog you will learn how to train your puppy and how to teach them the three most important commands every puppy should understand and follow (Come, Sit and Stay). You will be able to understand why your puppy is howling or whining and how to handle such behavior. You will also find out how jumping on people, something that although may look harmless and cute, can grow to a serious problem in the long run and how to solve it. Furthermore, in case you didn't know, begging is not a natural behavior of puppies. You will learn what to do (and what not to do) in order to prevent your puppy from adopting this unhealthy habit. Finally, you will find out how to deal with "excitement urination" and how to properly manage such situations when they occur. Here Is A Preview Of What You Will Learn... How To Train A Puppy The Right Way How To Teach Your Puppy To Come, Sit And Stay How To Stop Your Puppy From Howling And Whining How To Teach Your Puppy To Stop Jumping How To Stop Your Puppy From Begging How To Properly Stop Excitement Urination Get Your Copy Today

This Book Is Anti-Racist Oct 12 2020 #1 NEW YORK TIMES BESTSELLER Featured by Oprah's Book Club on the Anti-Racist Books for Young Adults list curated by bestselling author Jacqueline Woodson A USA TODAY Bestseller Recommended by The Guardian, Time, Grazia, The Telegraph, Express, and The Sun 'This is one for you, your neighbour, the children in your lives and especially that 'only slightly' racist colleague... A guide to the history of racism and a blueprint for change' —The Guardian Who are you? What is racism? Where does it come from? Why does it exist? What can you do to disrupt it? Learn about social identities, the history of racism and resistance against it, and how you can use your anti-racist lens and voice to move the world toward equity and liberation. 'In a racist society, it's not enough to be non-racist—we must be ANTI-RACIST.' —Angela Davis Gain a deeper understanding of your anti-racist self as you progress through 20 chapters that spark introspection, reveal the origins of racism that we are still experiencing and give you the courage and power to undo it. Each chapter builds on the previous one as you learn more about yourself and racial oppression. 20 activities get you thinking and help you grow with the knowledge. All you need is a pen and paper. Author Tiffany Jewell, an anti-bias, anti-racist educator and activist, builds solidarity beginning with the language she chooses - using gender neutral words to honour everyone who reads the book. Illustrator Aurélia Durand brings the stories and characters to life with kaleidoscopic vibrancy. After examining the concepts of social identity, race, ethnicity and racism, learn about some of the ways people of different races have been oppressed, from indigenous Americans and Australians being sent to boarding school to be 'civilized' to a generation of Caribbean immigrants once welcomed to the UK being threatened with deportation by strict immigration laws. Find hope in stories of strength, love, joy and revolution that are part of our history, too, with such figures as the former slave Toussaint Louverture, who led a rebellion against white planters that eventually led to Haiti's independence, and Yuri Kochiyama, who, after spending time in an internment camp for Japanese Americans during WWII, dedicated her life to supporting political prisoners and advocating reparations for those wrongfully interned. Learn language and phrases to interrupt and disrupt racism. So, when you hear a microaggression or racial slur, you'll know how to act next time. This book is written for EVERYONE who lives in this racialised society—including the young person who doesn't know how to speak up to the racist adults in their life, the kid who has lost themself at times trying to fit into the dominant culture, the children who have been harmed (physically and emotionally) because no one stood up for them or they couldn't stand up for themselves and also for their families, teachers and administrators. With this book, be empowered to actively defy racism and xenophobia to create a community (large and small) that truly honours everyone.

The Book of Slime - a Kid's Guide on How to Make the Best Slimes of All Time Nov 12 2020

An Insider's Guide On How to Sell Your Business: A Broker's Perspective Apr 29 2022 Selling a business is like going on a dating website and trying to choose the right partner. If you're gorgeous, intelligent, and financially secure, it shouldn't take any time at all—but if you're overweight, unattractive, and broke—it might take a while. Christina Lazuric Woscoff advises clients to stay real about the business they're selling and disregard emotions about what they "feel" it's worth. Buyers, she says, don't care about the late nights you toiled on the business. They care about desirability and cash flow. In this broker's perspective, she highlights how to: □ pick the right time to exit your business; □ understand the market conditions in your area; □ choose knowledgeable advisers to help you navigate the process; and □ consider alternatives, including selling to a strategic buyer. Take the necessary steps to get the best possible terms for what is probably your most valuable asset with An Insider's Guide on How to Sell Your Business.
