*Eve of Darkness* Dec 24 2021 Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. Fortunate Son Sep 20 2021 Ry Archer and Bowe Keller are as different as night and day. That doesn't mean they don't share similar struggles. At the moment, both are realizing the reality of getting closer and closer to reaching their dreams and aspirations is very much not living up to all the hype. The childhood cohorts always seem to connect when one of them needs help figuring out any of life's major puzzles, like figuring out why getting what you always thought you wanted isn't all it's cracked up to be. They might constantly rub each other the wrong way (except for when they rubbed each other really-really right), but there is no denying they've always made one hell of a great team. For Ry, he thought he had the perfect girl, the one who was going to run headfirst into a meticulously and methodically planned future. He was going to marry young and have the same kind of legendary, life-long romance his parents did... or so he believed. His girl was going to stand by his side as he chased his dream of being a professional football player all the way to the NFL. He was wrong. Now, Ry's gotta figure out the difference between a bruised heart and a broken one, and the only person who can teach him the difference is Bowe. Bowe always felt like she had to run before she learned to walk to keep up with her father's musical legacy. He's her hero, and she wants nothing more than to make him proud. Bowe's about to figure out that maybe she wasn't meant to be in a rock and roll band and that it is entirely possible she let her father's dream and road to success cloud her own idea of what making music should be. Bowe needs to find her own way to fame, and there's a good chance she wouldn't be brave enough or bold enough to start over if Ry Archer hadn't pushed his way back into her life when she least expected it. Some days they're enemies. Some days they're lovers. For a while, they were strangers. But now, it feels more like they might've always been soulmates. At the end of the day, both will realize that letting go of an old dream and creating a new one is much easier to do with the right person by your side.

But all is not well in T-Town. Strange, dark signs are appearing—could it be possible Neferet is stirring? Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved?

**The Song of the Marked** Mar 03 2020 The old gods are growing restless. An ancient evil is stirring. Can they stop the coming storm? So when the king himself offers her a job, she can't resist the massive reward he offers-even if it means working with Captain Elander, the arrogant, mysterious right-hand to that king. Her partner may be infuriating, but at least their mission seems simple and quick enough: Investigate the origins of the strange plague that's been ravaging their empire, help find a cure, and

then call it a day. But in a land brimming with old magic and meddling gods, nothing is ever that simple, and nothing is ever what it seems. As the bodies pile up and strange monsters begin to wreak havoc throughout the realms, Cas and Elander will have to work together to protect their world whether they like it or not. Because one thing is clear: Something ancient and evil is stirring in the shadows of that world. And their empire will not survive its full unleashing.

**Inception** Jul 19 2021 "My name is Jemma Blackburn, and I have a secret. I know vampires are real. I watched one murder my father eight months ago, and even though they tried to convince me it didn't happen -- that I'd lost touch with reality due to the trauma, I know what I saw was real. Hollow Hills is now the place I call home. It was supposed to be my chance at a normal life. My chance to bury my secret and start over. But everyone around me is keeping their own secrets, whispering lies into my ears like promises, and one of them is about to turn my entire world upside down. I thought I had it all figured out. I thought I had the answers. I thought I knew who I was. The truth is, I didn't even know the half of it. There's a reason these vampires are still after me. There's a reason they will always hunt me. Because I'm not human. I'm the devil they fear and the angel they crave. Only problem is, I don't know it yet..." --Page [4] of cover.

**Marked** Nov 03 2022 Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.
