Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some infectious virus inside their laptop.

Solomons Builders Freemasons Founding Fathers And The Secrets Of Washington Dc Christopher Hodapp is available in our digital library an online access to it is set as public so you can download it instantly.

Our digital library hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Solomons Builders Freemasons Founding Fathers And The Secrets Of Washington Dc Christopher Hodapp is universally compatible with any devices to read

Fathers and Sons Jun 06 2020 With an introduction by Rosamund Bartlett and an afterword by Tatiana Tolstaya Turgenev's depiction of the conflict between generations and their ideals stunned readers when *Fathers and Sons* was first published in 1862. But many could also sympathize with Arkady's fascination with its nihilist hero whose story vividly captures the hopes and regrets of a changing Russia. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Mary and the Fathers of the Church Aug 21 2021 Father Luigi Gambero, internationally-known expert on early Christianity, presents a comprehensive survey of the development of Marian doctrine and devotion during the first eight centuries. Focusing on the lives and works of over thirty of the most famous Church Fathers and early Christian writers, Fr. Gambero has produced a clear and readable summary of the richness of the patristic age's theological and devotional approach to the Mother of God. The book contains numerous citations from the works of those men who developed the defining Christological and Mariological positions that have constituted the foundational doctrinal teaching of the Church. Each chapter concludes with an extended reading from the works of the patristic authors. A number of these texts have never before been published in English. The thought of the Fathers and early Christian writers continues to fascinate readers today. Their theological acuity and spiritual depth led them faithfully into the mysteries of Sacred Scripture. Their vast experience made them reliable and trustworthy witnesses to the faith of the people of God.

Why a Son Needs a Dad May 06 2020 The perfect gift to honor any dad, this mini edition of NYT bestselling author Greg Lang's classic, *Why a Son Needs a Dad* will bring together fathers and sons everywhere.

[Fathers and Sons](#) Apr 04 2020 [Buy this book now only at iUniverse.com bookstore. Order from bookstores everywhere in 4-6 weeks!] Much as Nancy Friday's *My Mother My Self* explored the mother-daughter bond, this book illuminates the emotional themes that surround the important relationship between fathers and sons in terms both practical and theoretical, both enlightening and moving. Drawing upon extensive case-history material, based on interviews with over 100 fathers and sons from a cross section of society, Yablonsky defines the various prototypes of each -- autocratic, egocentric, and distant fathers, compliant and rebellious sons; their interactions and interdependencies; their individual rights and duties and their obligations to each other; the normal and pathological conflicts between them and how mothers and daughters can intervene constructively in such conflicts; the degree to which a father's status in the world can affect his son's aspirations -- and how a son's success or failure can affect his father; and other important dimensions of this complex relationship. *Fathers and Sons* is an important, definitive, highly useful guide for all men who want to improve their own such relationships and for the women who want to better understand the fathers and sons in their lives.

Strong Fathers, Strong Daughters Oct 11 2020 Inspiration for the motion picture streaming August 1 on Pure Flix! Drawing on her thirty years' experience practicing pediatric and adolescent medicine, teen health expert Dr. Meg Meeker explains why an active father figure is maybe the single most important factor in a young woman's development. In this invaluable guide, Meeker shows how a father can be both counsel and protector for his daughter as she grows into a spiritually and mentally strong young woman. From cradling his newborn to walking her down the aisle, a father must relish his paramount responsibility--guiding the course of his daughter's life. Meeker reveals • how a man can become a "strong father" • how a father's guidance influences every part of a woman's life, from her self-respect to her perspective on drugs, alcohol, and sex • how to lay down ground rules that are respected without creating distance in your relationship with your daughter • why you need to be your daughter's hero • the mistakes most fathers make and their serious consequences • how to help daughters make their own good decisions and avoid disastrous mistakes • how a father's faith will influence his daughter's spiritual development • how to get through to you daughter, even during her toughest don't-talk-to-me years • true stories of daughters who were on the wrong path--and how their fathers helped to bring them back Learn how to grow, strengthen, or rebuild your relationship with your daughter to better both your life and hers in the bestselling *Strong Fathers, Strong Daughters: 10 Secrets Every Father Should Know*.

Between Fathers and Daughters Feb 12 2021 At last! A no-nonsense, entertaining, and insightful book for dads and daughters who want more from their relationship--or who want to understand and rebuild it on an adult level. Dr. Linda Nielsen addresses the questions that daughters and dads regularly ask her--and a lot more. Based on two decades of work with hundreds of dads and daughters, *Between Fathers and Daughters* summarizes cutting-edge research in clear language and offers compelling stories about real people--including well-known celebrities. With candor and humor, *Between Fathers and Daughters* exposes the half-truths, downright lies, and family dynamics that prevent so many dads and daughters from having a more relaxed, more meaningful, more communicative relationship, regardless of age. Explaining why most daughter-dad relationships haven't reached their full potential or have unraveled, Nielsen provides hope as she shows fathers and daughters how to make changes now!

[Fathers and Their Families](#) Dec 01 2019 In 28 chapters and extensive editorial commentary, this book explores the changing roles of fathers -- changes prompted partly by societal shifts and partly by changes in the family and in "traditional" parental roles. Among the topical studies con

[Do Fathers Matter?](#) Dec 13 2020 For too long, we've thought of fathers as little more than sources of authority and economic stability in the lives of their children. Yet cutting-edge studies drawing unexpected links between fathers and children are forcing us to reconsider our assumptions and ask new questions: What changes occur in men when they are "expecting"? Do fathers affect their children's language development? What are the risks and rewards of being an older-than-average father at the time the child is born? What happens to a father's hormone levels at every stage of his child's development, and can a child influence the father's health? Just how much do fathers matter? In *Do Fathers Matter?* the award-winning journalist and father of five Paul Raeburn overturns the many myths and stereotypes of fatherhood as he examines the latest scientific findings on the parent we've often overlooked. Drawing on research from neuroscientists, animal behaviorists, geneticists, and developmental psychologists, among others, Raeburn takes us through the various stages of fatherhood, revealing the profound physiological connections between children and fathers, from conception through adolescence and into adulthood--and the importance of the relationship between mothers and fathers. In the process, he challenges the legacy of Freud and mainstream views of parental attachment, and also explains how we can become better parents ourselves. Ultimately, Raeburn shows how the role of the father is distinctly different from that of the mother, and that embracing fathers' significance in the lives of young people is something we can all benefit from. An engrossing, eye-opening, and deeply personal book that makes a case for a new perspective on the importance of fathers in our lives no matter what our family structure, *Do Fathers Matter?* will change the way we view fatherhood today.

The Power of the Fathers Jun 18 2021 The book examines the topic of paternal authority as it developed over a long period of time. The focus is on the power of fathers as manifested within a complex fabric of legal, social, economic, political and moral aspects. In early modern times, a father's power was based upon his personal and legal position as the one responsible for the family and the household in the sense of an economic unit, as well as on his moral authority over all those who belonged to said household. At the same time, the father was subject to public control, and his legal status was characterized not only by power, but also by obligations. This status was modelled after the figure of the pater familias as conceived of in Roman law--a concept that remained relevant up into the nineteenth century, though not without changes. Ultimately, the figure of the pater familias came to overlap with the modern-era perception of fathers' disempowerment. The chapters of this book analyse the public responsibility of fathers in the case of an adulterous daughter, legal acts of emancipation by which a son could gain independence from his father, and various opinions with regard to "indulgent" fathering, paternal authority over married sons, and provisions set out in wills. This book was originally published as a special issue of *The History of the Family*.

The Book of Fathers Nov 04 2022 When in 1705 Kornell Csillag's grandfather returns destitute to his native Hungary from exile, he happens across a gold fob-watch gleaming in the mud. The shipwrecked fortunes of the Csillag family suddenly take a new and marvelous turn. The golden watch brings an unexpected gift to the future generations of firstborn sons: clairvoyance. Passed down from father to son, this gift offers the ability to look into the future or back into history--for some it is considered a blessing, for others a curse. No matter the outcome, each generation records its astonishing, vivid, and revelatory visions into a battered journal that becomes known as *The Book of Fathers*. For three hundred years the Csillag family line meanders unbroken across Hungary's rivers and vineyards, through a land overrun by wolves and bandits, scarred by plague and massacre, and brutalized by despots. Impetuous, tenderhearted, and shrewd, the Csillags give birth to scholars and gamblers, artists and entrepreneurs. Led astray by unruly passions, they marry frigid French noblewomen and thieving alehouse whores. They change their name and their religion, and change them back. They wander from home but always return, and through it all *The Book of Fathers* bears witness to holocaust and wedding feast alike.

Papadaddy's Book for New Fathers Mar 28 2022 "Edgerton is so, so funny. He captures the rainbows, cheap thrills, and irritating potholes of parenting with splendid understatement."--Library Journal (Starred Review) After three decades of being a father, Clyde Edgerton--with four kids ranging in age from six to 30--is supremely qualified to give tips to dads of all ages. His fathering advice, pre-birth through schooling, involves plenty of his trademark humor, but also sound guidance enhanced by his training and experience as an educator. Papa Edgerton suggests that on occasion a father might forego reading and just point to the pictures of dogs and cats in baby books, and also that he might place a blanket on the lawn, lie on his back with the whole family, and watch Sky Television. Edgerton's humorous and helpful counsel will guide new parents on interacting with in-laws and coping with sleep deprivation, while also providing strategies for recovery after you've cursed in front of a mimicking baby. "If you don't feel apprehensive just before your first child is to arrive, you are abnormal," writes Edgerton. Yet by way of his experience, observation, and imagination, he provides caution and pure joy in equal measure.

[Fathers and Sons](#) Aug 09 2020 When *Fathers and Sons* was first published in Russia, in 1862, it was met with a blaze of controversy about where Turgenev stood in relation to his account of generational misunderstanding. Was he criticizing the worldview of the conservative aesthete, Pavel Kirsanov, and the older generation, or that of the radical, cerebral medical student, Evgenii Bazarov, representing the younger one? The critic Dmitrii Pisarev wrote at the time that the novel "stirs the mind . . . because everything is permeated with the most complete and most touching sincerity." N. N. Strakhov, a close friend of Tolstoy and Dostoevsky, praised its "profound vitality." It is this profound vitality in Turgenev's characters that carry his novel of ideas to its rightful place as a work of art and as one of the

classics of Russian Literature.

**The Apostolic Fathers and the New Testament Mar 04 2020** The apostolic fathers were authors of nonbiblical church writings of the first and early second centuries. These works are important because their authors, Clement I, Hermas, Ignatius of Antioch, Polycarp, and the author of the Epistle of Barnabas, were contemporaries of the biblical writers. Expressing pastoral concern, their writings are similar in style to the New Testament. Some of their writings, in fact, were venerated as Scripture before the official canon was decided. The Apostolic Fathers and the New Testament provides a comparison of the apostolic fathers and the New Testament that is at once comprehensive and accessible. What genres (letters, miracle stories, etc.) appear in what ways? What apostolic fathers seem to reflect which passages in the New Testament? What themes appear in both bodies of literature? How did the apostolic fathers adopt and adapt images from the New Testament? How do the New Testament and the Apostolic Fathers contribute to our understanding of how early Christians understood themselves in relation to the mother faith of Judaism? Any attempt to compare the Apostolic Fathers and the New Testament faces the difficulty that each set of writings represents diverse authors and historical contexts within the early church. As a result, scholars who work in the field have typically restricted their research to individual authors and writings. Thus, it has been difficult to come to any general observations about the larger corpus. After carefully examining images, themes, and concepts found in the New Testament and the apostolic fathers, Jefford posits some general observations and insights about the beliefs of the early church.

**You're Dad Oct 03 2022** The hilarious and heartwarming companion to international bestselling author Liz Climo's *You're Mom* From new dads to those who've been around the block, dads who go to work to those who are at home, and all the dads in between, *You're Dad* is a touching tribute to fathers everywhere. With humor, heart, and adorable drawings, Liz Climo celebrates fatherhood in all its shapes and sizes (and species). Featuring different types of dads and the paths they can travel, Climo's whimsical animal illustrations take us through the adventures of fatherhood, commemorating the laughter and the tears as well as the stumbles and the triumphs. Perfect for dads, the dad-like, any and all parents, and the people who love them, this sweet collection of fatherly love will move and delight.

**The Fathers of the Church Aug 28 2019** We hear the voices of the early Church Fathers even today. Their teachings, their guidance, their insights, and their sacrifice shaped the Catholic Church. They defined the canon of Scripture. They developed our creeds and forms of worship. They defined Christianity's distinctive moral sense. But who were they? What can we learn from their ancient teachings? What can the Fathers teach us in the 21st century—about holiness, culture, faith, and the Gospel? This is the definitive resource for anyone interested in learning about the Church Fathers and their legacy. Ideal for RCIA, catechists, and clergy as well as lay Catholics who want to learn more about the great teachers of early Christianity. In this new and extensively updated *The Fathers of the Church*, 3rd Edition, you will find: New: twenty Church Fathers never before covered in this series, New: many poets of ancient Christianity, whose hymns we still sing today, An extensively revised introduction, Nearly seventy-five more pages of information on the early Church, The Mothers of the Church and their impact, Research-friendly references and citations, topical index, timeline, and detailed bibliography Book jacket.

**Fathers and Sons, Volume 1 Dec 25 2021** "Stand Fast in the Way of Truth" is the first in a two-volume study designed to teach men and boys to execute joyfully their God-ordained responsibilities as fathers, sons, and leaders. Bond speaks directly and firmly to sons in terms of God's expectations as they relate to His infinitely wise blueprint for manhood.

**Fathers and Their Children in the First Three Years of Life May 30 2022** How ancient is father care of human infants and young children, and why did it emerge? Is it possible that father care arose among the ancestors of modern humans and became essential for survival? Or is it a recent, though variable, development? Is father care an evolved trait of *Homo sapiens* or is it a learned cultural behavior transmitted across generations in some societies but not others? In this important study, Frank L'Engle Williams examines the anthropological record for evidence of the social behaviors associated with paternity, suggesting that ample evidence exists for the importance of such behaviors for infant survival. Focusing on the first three postnatal years, he considers the implications of father care—both in the fossil record and in more recent cross-cultural research—for the development of such distinctively human traits as bipedalism, extensive brain growth, language, and socialization. He also reviews the rituals by which many human societies construct and reinforce the meanings of socially recognized fatherhood. Father care was adaptive within the context of the parental pair bond and shaped how infants developed socially and biologically. The initial imprinting of socially recognized fathers during the first few postnatal years may have sustained culturally sanctioned indirect care such as provisioning and protection of dependents for nearly two decades thereafter. In modern humans, this three-year window is critical to father-child bonding. By increasing the survival of children in the past, present, and quite possibly the future, father care may be a driving force in the biological and cultural evolution of *Homo sapiens*.

**The Sayings and Stories of the Desert Fathers and Mothers Sep 29 2019** The Sayings and Stories of the Desert Fathers and Mothers offers a new translation of the Greek alphabetical *Apophthegmata Patrum*, The Sayings of the Desert Fathers. For the first time in an English translation, this volume provides: • extensive background and contextual notes • significant variant readings in the alphabetical manuscripts and textual differences vis-à-vis the systematic and anonymous *Apophthegmata* • reference notes to both quotations from Scriptures and the many allusions to Scripture in the sayings and stories. In addition, there is an extensive glossary that offers information and further resources on people, places, and significant monastic vocabulary. Perfect for students and enthusiasts of the desert tradition.

**Fathers and Daughters Jun 30 2022** What do our girls think about their fathers? And what are fathers struggling with when it comes to their relationship with their daughters? The bestselling author of *BEING 14* now tackles the complicated father/daughter relationship. Award-winning journalist, author and commentator Madonna King has interviewed over five-hundred girls and many fathers, as well as leading psychologists, school principals, CEOs, police, guidance counsellors and neuroscientists, to get the answers all mothers, fathers and daughters need to know. Exploring a father's role in his daughter's life from a daughter's perspective as well as the father's, Madonna examines the key issues that arise to help families navigate the sometimes very difficult moments. This essential and insightful book reveals why daughters turn against their fathers, teen rebellion, discipline, sexual education, the impact of broken families, how much influence a father can/should have and what you can do to repair a broken relationship. *FATHERS AND DAUGHTERS* will give a voice to our girls, insight to our fathers and peace of mind to both. 'valuable for any parents' *SUNDAY TIMES* on Madonna King's *BEING 14*

**Why Fathers Count Sep 02 2022** Why Fathers Count: The Importance of Fathers and Their Involvement with Children (edited by Sean E. Brotherson and Joseph M. White) is an anthology (27 articles) dealing with the most important work men ever do—being totally involved in the lives of their children and families. It is men's strengths, their capacity to care and protect and give, that are needed by children, women, and men themselves. In a culture that questions the value of men in family life, we need a compelling perspective on what men can contribute to their families and communities and insight on the ways in which fathers and father figures make a meaningful difference. Why Fathers Count offers that insight, giving a fresh and powerful perspective on the meaningful contributions of fathers and father figures to the lives of children and families.

**Fatherhood - Philosophy for Everyone Oct 23 2021** FATHERHOOD PHILOSOPHY FOR EVERYONE FATHERHOOD PHILOSOPHY FOR EVERYONE It has been said that being a father is what finally gives a man his meaning in life. And a father's role has never been so involved - or expectations so high. There's a lot for dads to discover, and as Socrates demonstrated, learning really begins when we as fathers realize how little we know. But, no fear, help is at hand as *Fatherhood - Philosophy for Everyone* offers wisdom and practical advice drawn from the annals of philosophy, exploring paternal concerns such as: Fatherhood and the meaning of life The impact of change in men who become fathers How to raise well-adjusted children and have a more fulfilling and enjoyable experience of fatherhood Do real fathers bake cookies? Both thought-provoking and practical, *Fatherhood - Philosophy for Everyone* provides a valuable starting and ending point for reflecting on this crucial role.

**Forgiving Our Fathers and Mothers Apr 16 2021** "If our families are to flourish, we will need to learn and practice ways of forgiving those who have had the greatest impact upon us: our mothers and fathers." Do you struggle with the deep pain of a broken relationship with a parent? Leslie Leyland Fields and Dr. Jill Hubbard invite you to walk with them as they explore the following questions: What does the Bible say about forgiveness? Why must we forgive at all? How do we honor those who act dishonorably toward us, especially when those people are as influential as our parents? Can we ever break free from the "sins of our fathers"? What does forgiveness look like in the lives of real parents and children? Does forgiveness mean I have to let an estranged parent back into my life? Is it possible to forgive a parent who has passed away? Through the authors' own compelling personal stories combined with a fresh look at the Scriptures, *Forgiving Our Fathers and Mothers* illustrates and instructs in the practice of authentic forgiveness, leading you away from hate and hurt toward healing, hope, and freedom. "A call to very hard, but very vital, work of the soul." —Dr. Henry Cloud, leadership expert, psychologist, and best-selling author "Forgiving Our Fathers and Mothers is essential reading for anyone who wants to deal with those hurts in a constructive, healing, and God-honoring manner." —Jim Daly, president, Focus on the Family "Leslie Leyland Fields and Jill Hubbard take us into raw, messy stories so we can be transformed by that mysterious and painful grace in the force called forgiveness." —Scot McKnight, Northern Seminary

**Fathers, Fathering, and Fatherhood Nov 11 2020** Bringing together a unique collection of narrative accounts based on the lived experience of queer Chicano/Mexicano sons, this book explores fathers, fathering, and fatherhood. In many ways, the contributors reveal the significance of fathering and representations of fatherhood in the context of queer male sexuality and identity across generations, cultures, class, and Mexican immigrant and Mexican American families. They further reveal how father figures—grandfathers, grandfathers, and others—may nurture and express love and hope for the queer young men in their extended family. Divided into six sections, the book addresses the complexity of father-queer son relationships; family dynamics; the impact of neurodiverse mental health issues; the erotic, unsafe, and taboo qualities of desire; encounters with absent, estranged or emotionally distant fathers; and a critical analysis of father and queer son relationships in Chicano/Latino literature and film.

**Fathers in Families Jun 26 2019** The role of the father in a family and for his children has varied greatly throughout history. However, scientific research into fatherhood began relatively late at the end of the 1960s and early 1970s, with a strong focus on the impact of the father on child development. This book focuses on the role of the father in the contemporary two-parent heterosexual family. Of eight longitudinal studies from several Western countries, six focus on the socialization outcomes of the children, and two concentrate on parental satisfaction. Although the father is in focus, family dynamics cannot be conclusively described without a look at the mother and parental interaction. Therefore, all of the studies examine mothers and their role in the family system. Thus, the book gives a contemporary insight into the father and his role in changing family dynamics. This book was originally published as a special issue of the *European Journal of Developmental Psychology*.

**Either Side of Winter Jul 20 2021** In Fall we see the tentative beginnings of an unlikely romance - between schoolteacher Amy and drifting former graduate, Charles. In Winter we hear how her colleague Howard learns, seventeen years too late, that he has a daughter following a brief fling with collegemate Annie. Spring and Summer tell the story of his daughter's friend Rachel's relationships with her literature teacher, Stuart, and her dying father Reuben. Executed with exquisite sympathy, tenderness and emotional nuance, *Either Side of Winter* is a moving and elegiac picture of people whose lives are inextricably linked by circumstance, community - and a need to be loved.

**Dad's Playbook Nov 23 2021** This gift book for dads collects together 100 of the best quotes from the greatest coaches of all time, including John Wooden, Vince Lombardi, Tommy Lasorda, Phil Jackson, and many more, and then applies the lessons to fatherhood. Illustrated throughout with photos of famous coaches, with a foreword by Steve Young.

**Fathers and Sons in Cinema Sep 09 2020** Popular American films are replete with story lines which involve the father-son relationship, often as the pivotal conflict or dragon which a hero must overcome to achieve success. Sometimes these conflicts are straightforward; other times they are projections of the central character's unconscious becoming conscious—in essence a modern form of myth. These American "filmmths" serve as a visual means to project the psyche in an entertaining and easily accessible manner. Focusing on mythic structure, this volume explores 12 popular movies that deal with various aspects of the father-son relationship including the process of becoming a father, absent fathers, the rite of passage, and the turmoil between fathers and adolescents. Films examined include *The Wizard of Oz*, *Back to the Future*, *Stand By Me*, *Red River*, *City Slickers*, *North by Northwest*, *E.T. the Extraterrestrial*, *Field of Dreams*, *Lone Star*, *The Lion King*, *Jurassic Park* and *The Searchers*.

**If Your Build It... Feb 01 2020** A funny and moving memoir from the actor who played Kevin Costner's father for five minutes at the end of the movie *Field of Dreams*.

**Our Fathers, Ourselves Aug 01 2022** There's no denying that a woman's relationship with her father is one of the most important in her life. And there's also no getting around how the quality of that relationship—good, bad, or otherwise—profoundly affects daughters in a multitude of ways. In *Our Fathers, Ourselves*, research psychologist, author and scholar Dr. Peggy Drexler examines the ways in which the father-daughter bond impacts women and offers helpful advice for creating a better, stronger, more rewarding relationship. Through her extensive research and interviews with women, Dr. Drexler paints an intimate, timely portrait of the modern father-daughter relationship. Women today are increasingly looking to their dads for a less-than-traditional bond, but one that still stands the test of time and provides support, respect, and guidance for the lives they lead today. *Our Fathers, Ourselves* is essential reading for any woman who has ever wondered how she could forge a closer connection with and gain a deeper understanding of her father.

**You're Dad Feb 24 2022** The hilarious and heartwarming companion to international bestselling author Liz Climo's *You're Mom*.

The Fathers Jan 14 2021 The Fathers is the powerful novel by the poet and critic recognized as one of the great men of letters of our time, Alan Tate. Old Major Buchan of Pleasant Hill, Fairfax County, Virginia, lived by a gentlemen's agreement to ignore what was base or rude, to live a life which was gentle and comfortable because it was formal. Into this life George Posey came dashing, as Henry Steele Commager observed, "to defy Major Buchan, marry Susan, betray Charles and Semmes, dazzle young Lacy, challenge and destroy the old order of things." "Great novel of the broken South."—George Steiner in The New Yorker "A psychological horror story...concerned with life rather than death, with significance rather than with futility."—Henry Steele Commager "The story displays so much imagination and such a profound reflection upon life that it cannot be neglected by anyone interested in contemporary literature."—Edwin Muir "A masterpiece of formal beauty...deserves to be recognized as one of the most outstanding novels of our time."—Janet Adam-Smith in The New Statesman "It is one of the most remarkable novels of our time...[It] is in fact the novel GONE WITH THE WIND ought to have been."—Arthur Mizener

Fathers of a Certain Age Jul 08 2020 A timely book on the increasing trend of men fathering children later in life.

The Prodigal Father Jan 26 2022 A handbook to help estranged fathers reconnect with their children examines both the estrangement process and the path to reunion, explaining how to rebuild self-esteem, renew a relationship with the child's mother, and create lasting bonds

A Father's Book of Wisdom May 18 2021 "A few weeks after Dad passed away," says H. Jackson Brown, Jr., the compiler of A Father's Book of Wisdom, "we found eight shoeboxes in his closet filled with scraps of paper all covered with ideas Dad thought were profound, interesting, or merely amusing." The result is one father's view of life and what he thought about the importance of self-reliance, commitment, love, generosity, and success. It contains 159 quotes from Socrates, Eleanor Roosevelt, Andrew Jackson, Mother Teresa, and many others covering such topics as achievement, courage, happiness, parenting, success, and values. Quotations such as "If you're looking for a big opportunity, seek out a big problem" and "Life doesn't come with an instruction book - that's why we have fathers" communicate an upbeat, positive view of the world that will inspire and charm the reader. It is the perfect gift book for Father's Day, graduation, or any time of the year, and may even inspire you to jot down a few notes of your own.

Mothers, Fathers, and Others Jan 02 2020 Feminist philosophy meets family memoir in a fresh essay collection by Siri Hustvedt, author of the bestselling What I Loved and Booker Prize-longlisted The Blazing World. "A wonderful essayist . . . Her new collection is replete with personal history and recollection, and sparkles with small descriptive gems." Martin Chilton, Independent Siri Hustvedt's relentlessly curious mind and expansive intellect are on full display in this stunning new collection of essays, whose subjects range from the nature of memory and time to what we inherit from our parents, the power of art during tragedy, misogyny, motherhood, neuroscience, and the books we turn to during a pandemic. Drawing on family history as well as her own life and experiences, she examines the porousness of borders of all kinds in a masterful intellectual journey that is at once personal and universal. Ultimately, Mothers, Fathers, and Others reminds us that the boundaries we take for granted-between ourselves and others, between art and viewer-are far less stable than we imagine.

Go Ask Your Dad Mar 16 2021 Go Ask Your Dad challenges fathers from different faiths, cultures, and generations to come together and answer tough questions dads, children, and families face today. Fathers must learn from the past, be prepared now and in the future to discuss everything from sexual education and identity to what kind of career path a youth could choose. They need to have answers on how to handle negative things such as cyber-bullying and ISIS, but also must encourage good choices for health, happiness and a brighter tomorrow. The authors of Go Ask Your Dad don't claim to be perfect dads; they do promise, in this book, you will find valuable lessons from their mistakes and successes.

My Three Fathers Oct 30 2019 Bill Patten grew up in the heart of privileged society to American parents—a debutante mother, a diplomatic father—stationed in Europe. Weekends away from his English boarding school were often spent at the regal country estates of important policy makers and historical figures of the mid-twentieth century. When Bill was twelve years old, his father, William Patten, died, and his mother remarried the renowned columnist Joe Alsop. Patten was swept into Washington during the Kennedy years, where he bore witness to his stepfather's legendary power-brokering, and watched a very different father figure at work. In 1996, when he was forty-seven years old, Bill Patten learned that his biological father was not William Patten, but the noted English diplomat, Duff Cooper. In this quest to know his triumvirate of fathers, Bill Patten offers an unforgettable memoir. My Three Fathers is a search for identity—and a luscious chronicle of a fascinating, bygone era of American aristocracy.

Birth Fathers and Their Adoption Experiences Sep 21 2021 Virtually all literature about birth parents of adopted children has focused on mothers. In this pioneering study, Gary Clapton gives us a fresh perspective: he recounts the experiences of thirty birth fathers separated from their children at birth. Discussing different notions of fatherhood, such as biological paternity, social fatherhood, sperm donorship and the 'father figure', this informative book - the first on birth fathers in adoption - brings new light to issues such as the decision to give up a child for adoption, the child's desire to find his or her birth parents, and the facilitation of contact in later life. Written in an accessible style with insights into adoption and social work practice past and present, Birth Fathers and their Adoption Experiences offers a vital new perspective on understanding the causes and consequences of adoption, and makes positive suggestions for working with those whom it affects.

Business Dad Apr 28 2022 A prosperous venture capitalist asserts that the skills required for success in the office apply equally to effective parenting.

New Research on Parenting Programs for Low-Income Fathers Jul 28 2019 This book presents state-of-the-art findings of research on fatherhood programs, funded by the Fatherhood Research and Practice Network (FRPN), which advance knowledge and practice in the fathering field. New Research on Parenting Programs for Low-Income Fathers includes research on how to engage mothers to support father-child contact and to successfully employ social media and online technology for practice. It offers findings on how to increase paternal engagement and parenting skills and to include fathers in policies and programs for children and families. It discusses the importance of providing staff training and resources to practitioners who work directly with fathers. Chapters also provide summaries of key implications for evidence-based practice and future directions for research that encourage effective fatherhood practice. This book is an excellent resource for therapists, social workers, fatherhood educators, fatherhood practitioners, researchers, and policy makers on how to inspire positive father engagement with children and healthy coparenting relationships.
