Star Trek: Discovery: Drastic Measures Jul 29 2022 An all-new novel based upon the explosive Star Trek TV series! It is 2246, ten years prior to the Battle at the Binary Stars, and an aggressive contagion is ravaging the food supplies of the remote Federation colony Tarsus IV and the eight thousand people who call it home. Distress signals have been sent, but any meaningful assistance is weeks away. Lieutenant Commander Gabriel Lorca and a small team assigned to a Starfleet monitoring outpost are caught up in the escalating crisis, and bear witness as the colony's governor, Adrian Kodos, employs an unimaginable solution in order to prevent mass starvation. While awaiting transfer to her next assignment, Commander Philippa Georgiou is tasked with leading to Tarsus IV a small, hastily assembled group of first responders. It's hoped this advance party can help stabilize the situation until more aid arrives, but Georgiou and her team discover that they're too late—Governor Kodos has already implemented his heinous strategy for extending the colony's besieged food stores and safeguarding the community's long-term survival. In the midst of their rescue mission, Georgiou and Lorca must now hunt for the architect of this horrific tragedy and the man whom history will one day brand "Kodos the Executioner"....

Star Trek: Picard: The Dark Veil Dec 22 2021 A thrilling untold adventure based on the acclaimed Star Trek: Picard TV series! The Alpha Quadrant is mired in crisis. Within the United Federation of Planets, a terrorist strike on the shipyards of Mars has led to the shutdown of all relief efforts for millions of Romulans facing certain doom from an impending supernova. But when the USS Titan is drawn into a catastrophic incident on the Romulan-Federation border, Captain William Riker, his family, and his crew find themselves caught between the shocking secrets of an enigmatic alien species and the deadly agenda of a ruthless Tal Shiar operative. Forced into a wary alliance with a Romulan starship commander, Riker and the Titan crew must uncover the truth to stop a devastating attack—but one wrong move could plunge the entire sector into open conflict!

Beyond Fear Nov 20 2021

Architects of Infinity Apr 01 2020 An original novel set in the universe of Star Trek: Voyager, from the New York Times bestselling author! As the Federation Starship Voyager continues to lead the Full Circle Fleet in its exploration of the Delta Quadrant, Admiral Kathryn Janeway remains concerned about the Krenim Imperium and its ability to rewrite time to suit its whims. At Captain Chakotay's suggestion, however, she orders the fleet to focus its attention on a unique planet in a binary system, where a new element has been discovered. Several biospheres exist on this otherwise uninhabitable world, each containing different atmospheres and features that argue other sentient beings once resided on the surface. Janeway hopes that digging into an old-fashioned scientific mystery will lift the crews' morale, but she soon realizes that the secrets buried on this world may be part of a much larger puzzle—one that points to the existence of a species whose power to reshape the galaxy might dwarf that of the Krenim. Meanwhile, Lieutenants Nancy Conlon and Harry Kim continue to struggle with the choices related to Conlon's degenerative condition. Full Circle's medical staff discovers a potential solution, but complications will force a fellow officer to confront her people's troubled past and her own future in ways she never imagined...™, ®, & © 2018 CBS Studios, Inc. The More Things Change Oct 27 2019 A thrilling e-novella based on Star Trek: The Original Series! Six months after the events of Star Trek: The Motion Picture, Doctor Christine Chapel and Spock must save the life of an ailing Audrid

Dax, her true nature as a Trill having remained a mystery until now. But after an unknown vessel attacks their shuttle, a risky game of cat-and-mouse may be the only way to save all their lives.

The Fall Of Terok Nor Jan 29 2020 Continuing the Deep Space Nine saga—an original novel from New York Times bestselling author Judith Reeves-Stevens! Bajor is in flames. The corridors of Terok Nor echo with the sounds of battle. It is the end of the Cardassian Occupation -- and the beginning of the greatest epic adventure in the saga of Deep Space 9™ Six years later, with the Federation losing ground in its war against the Dominion, the galaxy's greatest smugglers—including the beautiful and enigmatic Vash—rendezvous on Deep Space 9. Their objective: a fabled lost Orb of the Prophets unlike any other, rumored to be the key to unlocking a second wormhole in Bajoran space—a second Celestial Temple. Almost immediately, mysterious events plague the station: Odo arrest Quark for murder; Jake and Nog lead Chief O'Brien to an eerie holosuite in a section of the station that's not on any schematic; and a Cardassian scientist whom even the Obsidian Order once feared makes an unexpected appearance. With all those events tied to a never-before-told story of the Cardassian withdrawal, Captain Benjamin Sisko faces the most dangerous challenge of his career. Unless he can uncover the secret of the lost Orb, what began with the fall of Terok Nor will end with the destruction of Deep Space 9...or worse.

Star Trek: Discovery: Dead Endless Aug 30 2022 A novel based upon the explosive Star Trek TV series! The U.S.S. Discovery's specialty is using its spore-based hub drive to jump great distances faster than any warp-faring vessel in Starfleet. To do this, Lieutenant Paul Stamets navigates the ship through the recently revealed mycelial network, a subspace domain Discovery can briefly transit but in which it cannot remain. After responding to a startling distress call originating from within the network, the Discovery crew find themselves trapped in an inescapable realm where they will surely perish unless their missing mycelial fuel is found or restored. Is the seemingly human man found alone and alive inside the network the Starfleet officer he claims to be, or an impostor created by alien intruders who hope to extract themselves from the mycelial plane at the expense of all lives aboard Discovery?

Between Hope and Fear Jan 11 2021 If you have a child in school, you may have heard stories of long-dormant diseases suddenly reappearing—cases of measles, mumps, rubella, and whooping cough cropping up everywhere from elementary schools to Ivy League universities because a select group of parents refuse to vaccinate their children. *Between Hope and Fear* tells the remarkable story of vaccine-preventable infectious diseases and their social and political implications. While detailing the history of vaccine invention, Kinch reveals the ominous reality that our victories against vaccine-preventable diseases are not permanent—and could easily be undone. In the tradition of John Barry's *The Great Influenza* and Siddhartha Mukherjee's *The Emperor of All Maladies*, *Between Hope and Fear* relates the remarkable intersection of science, technology, and disease that has helped eradicate many of the deadliest plagues known to man.

The Physics of Star Trek Aug 25 2019 How does the Star Trek universe stack up against the real universe? What warps when you're traveling at warp speed? What is the difference between a wormhole and a black hole? Are time loops really possible, and can I kill my grandmother before I am born? Anyone who has ever wondered "could this really happen?" will gain useful insights into the Star Trek universe (and, incidentally, the real world of physics) in this charming and accessible guide. Lawrence M. Krauss boldly goes where Star Trek has gone-and beyond. From Newton to Hawking, from Einstein to Feynman, from Kirk to Picard, Krauss leads readers on a voyage to the world of physics as we now know it and as it might one day be.

The Star Trek: The Original Series: The Rings of Taute Nov 08 2020 An entire solar system begins to disintegrate into cosmic rubble, and Captain Kirk suspects that rumors of a new Klingon superweapon are all too true. The Tautee system houses a flourishing pre-Warp civilization not quite ready to join the Federation, so the Prime Directive limits Kirk's ability to prevent the disaster, and to make matters worse his rescue efforts provoke an attack from four Klingon warships. But soon Kirk recognizes that he must get to the bottom of the forces at work in the Tautee system, because they could spill over into the rest of the galaxy.

Gateways #1 May 03 2020 Scattered throughout the galaxy are Gateways capable of transporting matter and energy across unfathomable distances. Left behind by a long-vanished civilization, these mysterious portals offer a means of exploration -- or conquest -- many times faster than warp travel. The technology responsible for the Gateways has been lost for at least ten millennia, but that doesn't mean it can't be found again.... Having defeated the hostile computer program guarding an abandoned Kalandan outpost, Kirk and his crew are exploring the artificial planetoid in hopes of discovering the secret of an ancient apparatus that has hurled the Starship Enterprise™ over nearly a thousand light-years. Unfortunately, the reactivated Gateway has attracted the attention -- and avarice -- of various alien explorers, including a mysterious race who claim to be none other than the enigmatic Kalandans themselves!

Star Trek: Discovery: Fear Itself Nov 01 2022 An original novel based upon the explosive new Star Trek TV series on CBS All Access. Lieutenant Saru is a Kelpien, a member of a prey species born on a world overrun by monstrous predators...and a being who very intimately understands the nature of fear. Challenged on all sides, he is determined to surpass his origins and succeed as a Starfleet officer aboard the USS Shenzhou. But when Saru breaks protocol in order to prove himself to his crewmates, what begins as a vital rescue mission to save a vessel in distress soon escalates out of control. Forced into a command role he may not be ready for, Saru is caught between his duty and the conflicting agendas of two antagonistic alien races. To survive, he will need to seek a path of peace against all odds, and risk compromising the very ideals he has sworn to uphold...

Star Trek: Discovery—Captain Saru Jan 23 2022 An all-new Discovery adventure that ties directly into season 1 of the hit CBS All Access show! Soon after the events on Q'onoS, the Discovery receives a distress call from someone from Tilly's

past. It's up to Commander Saru to lead the crew against this sinister alien threat in his first mission as acting captain!

Fear of Physics Jul 17 2021 "Assume the cow is a sphere." So begins this lively, irreverent, and informative look at everything from the physics of boiling water to cutting-edge research at the observable limits of the universe. Rich with anecdotes and accessible examples, *Fear of Physics* nimbly ranges over the tools and thought behind the world of modern physics, taking the mystery out of what is essentially a very human intellectual endeavour.

Star Trek: Mirror Universe: The Sorrows of Empire Sep 06 2020 One man can shape the future...but at what cost? "In every revolution, there is one man with a vision." Captain James T. Kirk of the United Federation of Planets spoke those prophetic words to Commander Spock of the Terran Empire, hoping to inspire change. He could not have imagined the impact his counsel would have. Armed with a secret weapon of terrifying power and a vision of the alternate universe's noble Federation, Spock seizes control of the Terran Empire and commits it to the greatest gamble in its history: democratic reform. Rivals within the empire try to stop him; enemies outside unite to destroy it. Only a few people suspect the shocking truth: Spock is knowingly arranging his empire's downfall. But why? Have the burdens of imperial rule driven him mad? Or is this the coldly logical scheme of a man who realizes that freedom must always be paid for in blood? Spock alone knows that the fall of the empire will be the catalyst for a political chain reaction -- one that will alter the fate of his universe forever.

The Fear Index Feb 09 2021 At the nexus of high finance and sophisticated computer programming, a terrifying future may be unfolding even now. Dr. Alex Hoffmann's name is carefully guarded from the general public, but within the secretive inner circles of the ultrarich he is a legend. He has developed a revolutionary form of artificial intelligence that predicts movements in the financial markets with uncanny accuracy. His hedge fund, based in Geneva, makes billions. But one morning before dawn, a sinister intruder breaches the elaborate security of his lakeside mansion, and so begins a waking nightmare of paranoia and violence as Hoffmann attempts, with increasing desperation, to discover who is trying to destroy him. Fiendishly smart and suspenseful, *The Fear Index* gives us a searing glimpse into an all-too-recognizable world of greed and panic. It is a novel that forces us to confront the question of what it means to be human—and it is Robert Harris's most spellbinding and audacious novel to date.

Star Trek: First Contact Apr 13 2021 The official novelization of the widely acclaimed major motion picture based on *Star Trek: The Next Generation*! From the deepest, darkest reaches of space came the greatest threat the United Federation of Planets had ever faced: the Borg, a half-organic, half-mechanical species relentlessly bent on conquering and "assimilating" all intelligent life into their collective. Only through the courage and determination of the USS *Enterprise* crew was Captain Jean-Luc Picard able to be rescued from his own abduction and assimilation by the Borg and this alien menace prevented from destroying Earth itself. Now, several years later, the Borg are back and more dangerous than ever, launching a new attack against the heart of the Federation—one that simultaneously threatens Earth's past, present, and future. As Captain Picard and the *Enterprise* crew risk their lives alongside unexpected allies, they must all stand against their greatest foe in a startling confrontation across time, even as the Borg Collective's deadliest secret and its true face are finally revealed...

The Soldiers Of Fear Sep 30 2022 Long ago, before the dawn of civilization, they were banished to the realm of nightmares. Now the terrors are real... A generation ago, another *Starship Enterprise*™ fought off a ship of exiled aliens intent on conquering all of the Alpha Quadrant. Starfleet thought the foe had been repelled forever—until now. The Furies have returned in might warships even more powerful than before. But their weapons are more than merely physical, for these aliens are the origins of all the demons and monsters of ancient myth, and they have found a way to project fear directly into the minds of their enemies. To defeat the Furies, and save the Federation, Picard and the crew of the U.S.S. *Enterprise* must first conquer the darkest terrors of their unconscious minds.

Star Trek: Discovery: The Enterprise War Apr 25 2022 An all-new novel based upon the explosive *Star Trek* TV series! A shattered ship, a divided crew—trapped in the infernal nightmare of conflict! Hearing of the outbreak of hostilities between the United Federation of Planets and the Klingon Empire, Captain Christopher Pike attempts to bring the USS *Enterprise* home to join in the fight. But in the hellish nebula known as the Pergamum, the stalwart commander instead finds an epic battle of his own, pitting ancient enemies against one another—with not just the *Enterprise*, but her crew as the spoils of war. Lost and out of contact with Earth for an entire year, Pike and his trusted first officer, Number One, struggle to find and reunite the ship's crew—all while Science Officer Spock confronts a mystery that puts even his exceptional skills to the test...with more than their own survival possibly riding on the outcome...

Seekers: Point of Divergence Jun 23 2019 A thrilling *Star Trek* novel following two of Starfleet's best starships on a quest to discover the secrets of a mysterious, uncolonized region. The Tomol are a primitive civilization occupying a lone island on a remote world. Their culture is an enigma, centered on every member's commitment to a painful, fiery self-sacrifice upon reaching maturity. But one of their clan has shunned this obligation, triggering a transformation into a new, powerful life form. Answering the distress call of the U.S.S. *Sagittarius*—which has crashed on the planet following a fierce battle with the Klingons—Captain Atish Khatami and the crew of the U.S.S. *Endeavour* must now attempt a rescue mission...even as they are locked in battle with the evolving, increasingly malevolent Tomol who, if allowed to escape their home world, pose an imminent threat to the entire galaxy.

Sight Unseen Mar 25 2022 "Based on *Star Trek* and *Star Trek: the next generation* created by Gene Roddenberry."

Chrysalis Jul 25 2019 When the sensors of the U.S.S. *Voyager* detect abundant plant life on an unexplored planet, Captain Janeway leads an Away Team in search of fresh food supplies. They find lavish gardens inhabited by an enigmatic alien race that holds the gardens sacred. The fragrant blossoms are beautiful, enticing -- and far more dangerous than

they appear. One by one, the Away Team begins to fall into deep comas from which they cannot be revived. Unwilling to spread the affliction to Voyager, the Away Team is trapped on the planet until a cure can be found, but their investigation is perceived as desecration by the devout worshippers of the gardens. Pursued by a fanatical mob, slowly succumbing to the insidious effect of the blossoms, Janeway faces either a violent death -- or an endless sleep.

Into the Planet Jun 03 2020 From one of the world's most renowned cave divers, a firsthand account of exploring the earth's final frontier: the hidden depths of our oceans and the sunken caves inside our planet More people have died exploring underwater caves than climbing Mount Everest, and we know more about deep space than we do about the depths of our oceans. From one of the top cave divers working today—and one of the very few women in her field—Into the Planet blends science, adventure, and memoir to bring readers face-to-face with the terror and beauty of earth's remaining unknowns and the extremes of human capability. Jill Heinerth—the first person in history to dive deep into an Antarctic iceberg and leader of a team that discovered the ancient watery remains of Mayan civilizations—has descended farther into the inner depths of our planet than any other woman. She takes us into the harrowing split-second decisions that determine whether a diver makes it back to safety, the prejudices that prevent women from pursuing careers underwater, and her endeavor to recover a fallen friend's body from the confines of a cave. But there's beauty beyond the danger of diving, and while Heinerth swims beneath our feet in the lifeblood of our planet, she works with biologists discovering new species, physicists tracking climate change, and hydrogeologists examining our finite freshwater reserves. Written with hair-raising intensity, Into the Planet is the first book to deliver an intimate account of cave diving, transporting readers deep into inner space, where fear must be reconciled and a mission's success balances between knowing one's limits and pushing the envelope of human endurance.

Star Trek: Discovery: The Way to the Stars May 27 2022 An original novel based on the explosive TV series Star Trek: Discovery! Despite being an inexperienced Starfleet cadet, Sylvia Tilly became essential to the USS Discovery finding its way back home from the Mirror Universe. But how did she find that courage? From where did she get that steel? Who nurtured that spark of brilliance? The Way to the Stars recounts for fans everywhere the untold story of Tilly's past. It's not easy being sixteen, especially when everyone expects great things from Tilly. It's even harder when her mother and father are Federation luminaries, not to mention pressing her to attend one of the best schools that the Federation has to offer. Tilly wants to achieve great things—even though she hasn't quite worked out how to do that or what it is she wants to do. But this year, everything will change for Tilly, as she about to embark upon the adventure of a lifetime—an adventure that will take her ever closer to the stars...

The War Of The Prophets Mar 01 2020 Continuing the Deep Space Nine saga—an original novel from New York Times bestselling author Judith Reeves-Stevens! The crew of the Starship Defiant is trapped in a future in which the Pah-wraiths have triumphed-as the greatest epic adventure in the saga of Deep Space 9™ continues... In the last days of the twenty-fourth century, caught in the crossfire of the apocalyptic confrontation between the Bajoran Prophets and the Pah-wraiths, Captain Benjamin Sisko, and his crew face what might be the final millennium. On one side, the Pah-wraiths' new Emissary—Kai Weyoun—promises his followers that when Bajor's two Celestial -Temples are restored as one, all beings in the universe will ascend to a new and glorious existence with the True Prophets. On the other side, the scientists of Starfleet predict that when the two Bajoran wormholes merge, they will create a Warp 10 shock wave of infinite destructive power. With the Federation on the brink of collapse, and Starfleet consumed by Admiral Jean-Luc Picard's obsessive quest to build the largest starship ever conceived, Sisko enters the ultimate race against time for the biggest stakes of all—the survival of the universe itself.

Star Trek: Discovery: Die Standing Jun 15 2021 An all-new novel based upon the explosive Star Trek TV series! No one in the history of histories has lost more than Philippa Georgiou, ruler of the Terran Empire. Forced to take refuge in the Federation's universe, she bides her time until Section 31, a rogue spy force within Starfleet, offers her a chance to work as their agent. She has no intention of serving under anyone else, of course; her only interest is escape. But when a young Trill, Emony Dax, discovers a powerful interstellar menace, Georgiou recognizes it as a superweapon that escaped her grasp in her own universe. Escorted by a team sent by an untrusting Federation to watch over her, the emperor journeys to a region forbidden to travelers. But will what she finds there end the threat—or give "Agent Georgiou" the means to create her old empire anew?

Time's Enemy Jul 05 2020 Millennia ago, an apocalyptic battle was fought in the Alpha Quadrant. The losers were banished, but what became of the victors? The Federation is threatened by this ancient mystery when a battered and broken version of the Defiant is found, frozen for five thousand years, in an icy cloud of cometary debris. Captain Sisko and the crew of Deep Space Nine™ are summoned to answer the most baffling question of their lives: how and when will their ship be catapulted back through time to its destruction? And does its ancient death mean that one of the combatants in a primordial battle is poised now to storm the Alpha Quadrant? Only the wormhole holds the answer -- and the future of the Federation itself may depend on the secrets it conceals.

Miasma Nov 28 2019 Star Trek continues its fiftieth anniversary celebration in 2016 with an all-new novella from New York Times bestselling author Greg Cox, set in the popular and blockbuster Original Series era! The Enterprise-A is transporting a party of diplomats when it picks up a mysterious alien signal emanating from a nearby world. The planet's dense, impenetrable atmosphere makes it unclear if the beacon is a distress signal, an invitation—or a warning to stay away. Spock, Doctor McCoy, and Chekov are part of a team sent to investigate, but an unexpected catastrophe forces a crash landing. Now the landing party is stranded on a hostile world, unable to communicate with the Enterprise. While Captain Kirk and Saavik race to locate the lost crew, a badly wounded Spock struggles to keep McCoy and the others alive until they can be rescued, even if that means making an unthinkable sacrifice...™, ®, & © 2016 CBS Studios, Inc. Star Trek: Discovery: Desperate Hours Jun 27 2022 An all-new novel based upon the explosive Star Trek TV series! Aboard the Starship Shenzhou, Lieutenant Michael Burnham, a human woman raised and educated among Vulcans, is promoted to acting first officer. But if she wants to keep the job, she must prove to Captain Philippa Georgiou that she deserves to have it. She gets her chance when the Shenzhou must protect a Federation colony that is under attack by an ancient alien vessel that has surfaced from the deepest fathoms of the planet's dark, uncharted sea. As the menace from this mysterious vessel grows stronger, Starfleet declares the colony expendable in the name of halting the threat. To save thousands of innocent lives, Burnham must infiltrate the alien ship. But to do so, she needs to face the truth of her troubled past, and seek the aid of a man she has tried to avoid her entire life—until now.

The Latter Fire Dec 10 2020 An all-new novel from New York Times bestselling author James Swallow set in the popular universe of Star Trek: The Original Series! The five-year mission of the Starship Enterprise has brought the vessel and her crew to the forefront of an important first contact situation. Under the command of Captain James T. Kirk, the ship is heading to the planet Syhaar Prime in the Beta Quadrant—the home world of an alien civilization preparing to take its first steps on to the galactic stage. One year earlier, the Enterprise came across a badly damaged Syhaari explorer vessel drifting in deep space. In collaboration with the explorer's captain, Kirk and his crew were able to restore the ship to full function and send it on its way. And now, as the Syhaari display rapid technological advances made over the past year, hard questions must be asked. Did the Enterprise crew leak advanced technology or information to the Syhaari during their first encounter, in total violation of the Prime Directive?™, ®, & © 2016 CBS Studios, Inc. The Monarchy of Fear Oct 20 2021 From one of the world's most celebrated moral philosophers comes a thorough examination of the current political crisis and recommendations for how to mend our divided country. For decades Martha C. Nussbaum has been an acclaimed scholar and humanist, earning dozens of honors for her books and essays. In *The Monarchy of Fear* she turns her attention to the current political crisis that has polarized America since the 2016 election. Although today's atmosphere is marked by partisanship, divisive rhetoric, and the inability of two halves of the country to communicate with one another, Nussbaum focuses on what so many pollsters and pundits have overlooked. She sees a simple truth at the heart of the problem: the political is always emotional. Globalization has produced feelings of powerlessness in millions of people in the West. That sense of powerlessness bubbles into resentment and blame. Blame of immigrants. Blame of Muslims. Blame of other races. Blame of cultural elites. While this politics of blame is exemplified by the election of Donald Trump and the vote for Brexit, Nussbaum argues it can be found on all sides of the political spectrum, left or right. Drawing on a mix of historical and contemporary examples, from classical Athens to the musical *Hamilton*, *The Monarchy of Fear* untangles this web of feelings and provides a roadmap of where to go next.

Music in Star Trek Sep 26 2019 The tensions between utopian dreams and dystopian anxieties permeate science fiction as a genre, and nowhere is this tension more evident than in Star Trek. This book breaks new ground by exploring music and sound within the Star Trek franchise across decades and media, offering the first sustained look at the role of music in shaping this influential series. The chapters in this edited collection consider how the aural, visual, and narrative components of Star Trek combine as it constructs and deconstructs the utopian and dystopian, shedding new light on the series' political, cultural, and aesthetic impact. Considering how the music of Star Trek defines and interprets religion, ideology, artificial intelligence, and more, while also considering fan interactions with the show's audio, this book will be

of interest to students and scholars of music, media studies, science fiction, and popular culture.

Fear Not Tomorrow, God Is Already There Devotional Oct 08 2020 Ruth Graham, daughter of Billy and Ruth Bell Graham, tackles the fear and uncertainty readers confront when facing daunting challenges and times of uncertainty. Graham empathizes with readers who feel inadequate, outnumbered, overpowered, ill-equipped, or even beyond hope. She then leads a discovery of the all-sufficiency of God and his power, demonstrating how to replace fears with hope and anticipation. Graham writes, "If you are hoping to find within these pages ten steps to greater confidence or positive self-talk for conquering anxiety or how to rise above your challenges to reach your destiny, you won't find what you are looking for here at all. This book is not about overcoming your shortcomings to build a better you. Growing an unshakable trust in God as you face your tomorrows is not about self-improvement or mastering your circumstances, but about God—who he is, what he does, and why we can trust him." Graham writes not from an ivory tower of theological discourse, but from the battlefields of brokenness and recovery. From that vantage point she offers evidence that, whether readers' frightening tomorrows are self-inflicted, other-inflicted, or simply life-inflicted, they may hold fast to the simple yet powerful truth, Fear not tomorrow, God is already there. Each chapter explores a distinct attribute of God and an illustration from God's Word demonstrating each attribute at work in the face of daunting challenges. Then Graham unpacks enlightening encounters of God's presence and power, impacting the lives of everyday people today. Graham weaves a tapestry of the all-sufficiency of God and his power to enfold our todays and tomorrows in his mighty grip. Readers will catch sight of his power, learn to rest in his peace, and be filled with anticipation for the future. Fear not tomorrow, God is already there!

Rules of Accusation Dec 30 2019 An original eNovella set in the Star Trek: Deep Space Nine universe! On the space station Deep Space 9, Quark's Public House, Café, Gaming Emporium, Holosuite Arcade, and Ferengi Embassy can't legitimately be called an embassy until the Grand Nagus—namely, Quark's brother Rom—dedicates it as such. Not that Quark really cares about Ferengi protocol, but a well-publicized dedication ceremony will naturally draw people to the bar. Everybody loves a good open house—free appetizers, half-price drinks, door prizes, etc.—all of which Quark can write off as Embassy expenses. It's a win-win situation, with him on both sides of the win. There's even a plan to display the original scroll of the Ferengi Rules of Acquisition—which no one has seen for decades given that it's been held in protective storage—and charge patrons by the minute to look at it up close. Nothing, of course, could possibly go wrong with this big plan. Absolutely nothing at all...

Star Trek: Discovery: Wonderlands Feb 21 2022 An all-new novel based upon the explosive Star Trek TV series! In a desperate attempt to prevent the artificial intelligence known as Control from seizing crucial information that could destroy all sentient life, Commander Michael Burnham donned the "Red Angel" time-travel suit and guided the USS Discovery into the future and out of harm's way. But something has gone terribly wrong, and Burnham has somehow arrived in a place far different from anything she could have imagined—more than nine hundred years out of her time, with Discovery nowhere to be found, and where the mysterious and cataclysmic event known as "the Burn" has utterly decimated Starfleet and, with it, the United Federation of Planets. How then can she possibly exist day-to-day in this strange place? What worlds are out there waiting to be discovered? Do any remnants of Starfleet and the Federation possibly endure? With more questions than answers, Burnham must nevertheless forge new friendships and new alliances if she hopes to survive this future long enough for the Discovery crew to find her.... ™, ®, & © 2021 CBS Studios, Inc. Crisis of Consciousness May 15 2021 A Star Trek: Original Series novel featuring James T. Kirk, Spock, and the crew of the U.S.S. Enterprise! The crew of the U.S.S. Enterprise is completing a diplomatic mission with the Maabas, an alien race with whom they'd been sent to sign a treaty. The Maabas are a peaceful people who are not native to the star system they now inhabit, but were refugees from a great war long ago. Several hundred thousand took shelter on their new planet, and have been there for thousands of years. While they have warp capability, they do not travel the stars, but seek to explore within. The Federation's interest is in the Maabas's great intellectual resources. Their science, while behind Federation standards in some areas, excels in others. They are highly intelligent, with unique approaches, and their philosophy is in line with that of the Federation. But just as the pact is signed, the Enterprise is attacked by an unknown ship. They manage to show enough force to keep the alien vessel at bay...but a new danger arises, as their mysterious foes are the Kenisians—a race that used to inhabit this planet thousands of years ago, and now want it back. ™, ®, & © 2015 CBS Studios, Inc.
