How To Pass Accounting Exams Apr 29 2022 Author Dr Simon Parry draws on over 20 years of experience as a professional accounting examiner and tutor to guide you to success in your accounting exams. The techniques in this book have been developed and refined over years of working with thousands of accounting students and have been proven to work. The book is divided into two parts: Part 1 focuses on how to be more effective and efficient in preparing for your exams. Topics covered include organising and structuring your studies; increasing the effectiveness of your studies; optimising modes of learning; improving your reading and note taking; preparing for numerical questions and preparing for written questions. In part 2 the author draws on his extensive experience as an

accounting examiner to give valuable insights into how accounting exams are written and marked. This knowledge is translated into valuable tips on how to maximise your marks once you are in the exam and how you can apply good exam technique to substantially improve your grades. The book is specifically focused on accounting exams and is written by an author who has spent his career helping accounting students to improve their exam performance. It contains many detailed examples and techniques applicable to exams in financial accounting, management accounting, financial management, taxation and business strategy. This book is your perfect study companion if you are studying for ACCA, CIMA, ICAEW, CPA, AAT, CAT or university/college accounting exams.

Our CLEP test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. REA's comprehensive review covers all the topics on the official CLEP Financial Accounting exam: accounting reports, debits and credits, journals and ledgers, accounts receivable, and more. Start your study by taking our diagnostic practice test online. This timed test includes automatic scoring and feedback, so you can pinpoint your strengths and weaknesses. The book includes two full-length practice tests that mirror the actual exam, allowing you to become familiar with the test format before taking the CLEP. Each practice test comes with detailed explanations of answers to help you identify areas in need of improvement and be prepared on test day. Both of the book's practice tests are also available online in a timed format with instant scoring, diagnostic feedback, and detailed explanations of answers. A study schedule and test-taking strategies round out this complete test prep package. What is CLEP? CLEP is the College Board's credit-by-examination program for 33 subjects. Each exam passed earns the student between 3-12

credits at more than 2,900 colleges and universities in the U.S. and abroad. REA is the acknowledged leader in CLEP preparation, with the most extensive library of CLEP titles and software available. REA's CLEP test preps will help you earn valuable college credits, save on tuition, and get a college degree.
