Alice Walker Oct 31 2019 An in-depth analysis of Alice Walker, her writings, and the historical time period in which they were written.

The Color Purple Oct 04 2022 Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. *The Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Color Purple* is the 1st book in the *Color Purple* Collection, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*.

The Color Purple Collection Jan 15 2021 Three novels by a New York Times–bestselling author—including the Pulitzer Prizewinner *The Color Purple*—that speak to the African experience in America. *The Color Purple* is Alice Walker's stunning, Pulitzer Prize–winning novel of courage in the face of oppression. Celie grows up in rural Georgia, navigating a childhood of ceaseless abuse. Not only is she poor and despised by the society around her, she's badly treated by her family. As a teenager she begins writing letters directly to God in an attempt to transcend a life that often seems too much to bear. Her letters span twenty years and record a journey of self-discovery and empowerment through the guiding light of a few strong women and her own implacable will to find harmony with herself and her home. In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* follow the lives of a brilliant cast of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. Possessing the *Secret of Joy* portrays Tashi's tribe, the Olinka, where young girls undergo genital mutilation as an initiation into the community. Tashi manages to avoid this fate at first, but when pressed by tribal leaders, she submits. Years later, married and living in America as Evelyn Johnson, Tashi's inner pain emerges. As she questions why such a terrifying, disfiguring sacrifice was required, she sorts through the many levels of subjugation with which she's been burdened over the years. Hailed by the *Washington Post* as "one of the best American writers of today," Alice Walker is a master storyteller and a major voice in modern literary fiction.

Re-reading The Color Purple: Alice Walker's Extended Critique of Racial Integration in the Novel May 07 2020 Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1,7, Humboldt-University of Berlin, 11 Literaturquellen, 6 Internetquellen entries in the bibliography, language: English, abstract: The intention of this paper is to show and to analyze Walker's often underestimated critique of racial relations in the novel *The Color Purple*. This analysis will be based primarily on a closer look at Nettie's letters – the narrative's embedded text that has been neglected by most of the early critical works on the novel. It will be shown that one of the novel's central questions is: Is a progress in race relations possible? And furthermore, that Walker's answer to that question is not at all as fairy-tale-like as many critics have claimed the ending of the novel to be. The main sources for my line of argumentation will be, of course, the novel *The Color Purple* I itself, Alice Walker's essay collection *In Search Of Our Mothers' Gardens*, and Linda Selzer's essay *Race and Domesticity in The Color Purple*.

"The Color Purple" by Alice Walker - an Analysis Jan 03 2020 Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1, University of Vienna, language: English, abstract: *The Color Purple* is Alice Walker's masterpiece, which made the author not only the first female Afro American author to receive a Pulitzer Prize but moreover brought her world fame and a broader recognition of her other works. This analysis of the text focuses on motifs, themes and symbolism used in the story. It also talks about the author by giving an in-dept overview not only about her life but also the sociocultural background that shaped this novel. As mentioned before a clear focus is put on themes, symbols and motifs in the novel, which are widely used and therefore also are somehow responsible for the diversity of approaches to reading the novel. The textual analysis is enhanced by a brief summary of the plot, characters and their relationship as well as a compressed paragraph talking about the setting and an overview over some narrative techniques used in the novel.

Now Is the Time to Open Your Heart Nov 12 2020 The Pulitzer Prize-winning author of *The Color Purple*, *Possessing the Secret of Joy*, and *The Temple of My Familiar* now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In *Now Is the Time to Open Your Heart*, Alice Walker has created a work that ranks among her finest achievements: the story of a woman's spiritual adventure that becomes a passage through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and deep feeling that are its author's hallmarks, *Now Is the Time to Open Your Heart* is Alice Walker's most surprising achievement.

Meridian Nov 24 2021 "A classic novel of both feminism and the Civil Rights movement" in 1960s Atlanta by the Pulitzer Prize-winning author of *The Color Purple* (Ms.). As she approaches the end of her teen years, Meridian Hill has already married, divorced, and given birth to a son. She's looking for a second chance, and at a small college outside Atlanta, Georgia, in the early 1960s, Meridian discovers the civil rights movement. So fully does the cause guide her life that she's willing to sacrifice virtually anything to help transform the conditions of a people whose subjugation she shares. Meridian draws from Walker's own experiences working alongside some of the heroes of the civil rights movement, and the novel stands as a shrewd and affecting document of the dissolution of the Jim Crow South. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

Speaking in Tongues and Dancing Diaspora Mar 17 2021 The oral tradition has always played an important role in African American literature, ranging from works such as Zora Neale Hurston's *Their Eyes Were Watching God* to Toni Morrison's *Beloved*. These and countless other novels affirm the power of sonance and sound in the African American literary canon. Considering the wide swath of work in this powerful lineage -- in addition to its shared heritage with performance -- Mae G. Henderson deploys her trope of "speaking in tongues" to theorize the preeminence of voice and narration in black women's literary performance through her reconstruction of a fundamentally spiritual practice as a critical concept for reading black women's writing dialogically and intertextually. The first half of the book is devoted to influential works of fiction, as Henderson offers a series of spirited, attentive readings of works by Zora Neale Hurston, Alice Walker, Sherley Anne Williams, Toni Morrison, Gayl Jones, and Nella Larsen. The second half shifts gears to consider the world of female African American performance, most notably in the figures of Josephine Baker and the video dancer. Drawing on the trope of "dancing diaspora," Henderson proposes a model of theorizing based on "performing testimony" and "critical witnessing." Throughout the book, Henderson draws on a history of black women not only in the Pentecostal Holiness Church, but also within the traditions of classical, Christian, African, and black diasporic spirituality and performance. Ultimately, *Speaking in Tongues and Dancing Diaspora* provides a deeply felt reflection on race and gender and their effects within the discourses of speaker/listener and audience/performer.

In Search of The Color Purple May 31 2022 Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's

critically acclaimed and controversial novel, *The Color Purple* Alice Walker made history in 1983 when she became the first black woman to win the Pulitzer Prize and the National Book Award for *The Color Purple*. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. *The Color Purple* received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading *The Color Purple* at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, *In Search of The Color Purple* is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

She Reads Truth Sep 22 2021 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
