Created for Connection Oct 20 2021 "Whoever does not love does not know God, because God is love."--1 John 4:8 Are you looking to enrich a healthy relationship, revitalize a tired one, or rescue one gone awry? Do you yearn to grow closer to God, and to further incorporate Him

and His teachings into your marriage? We all want a lifetime of love, support, and faith. But sometimes we need a little help. Enter Dr. Sue Johnson, developer of Emotionally Focused Therapy (EFT) and "the best couple therapist in the world," according to bestselling relationship expert Dr. John Gottman. In *CREATED FOR CONNECTION*, Dr. Johnson and Kenneth Sanderfer, a leading EFT practitioner in the Christian community, share Johnson's groundbreaking and remarkably successful program for creating stronger, more secure relationships not only between partners, but between us and God. The message of *CREATED FOR CONNECTION* is simple: Forget about learning how to argue better, analyzing your early childhood, or making grand romantic gestures. Instead, get to the emotional underpinnings of your relationship by recognizing that you are attached to and dependent on your partner in much the same way that a child is on a parent, and we are on the Heavenly Father, for nurturing, soothing, and protection. The way to enhance or save our relationships with each other and with God is to be open, attuned, responsive, and to reestablish safe emotional connection. Filled with Bible verses, inspiring real-life stories, and guidance, *CREATED FOR CONNECTION* will ensure a lifetime of love.

Last Child in the Woods Sep 18 2021 "The children and nature movement is fueled by this fundamental idea: the child in nature is an endangered species, and the health of children and the health of the Earth are inseparable." –Richard Louv, from the new edition In his landmark work *Last Child in the Woods*, Richard Louv brought together cutting-edge studies that pointed to direct exposure to nature as essential for a child's healthy physical and emotional development. Now this new edition updates the growing body of evidence linking the lack of nature in children's lives and the rise in obesity, attention disorders, and depression. Louv's message has galvanized an international back-to-nature campaign to "Leave No Child Inside." His book will change the way you think about our future and the future of our children. "[The] national movement to 'leave no child inside' . . . has been the focus of Capitol Hill hearings, state legislative action, grass-roots projects, a U.S. Forest Service initiative to get more children into the woods and a national effort to promote a 'green hour' in each day. . . . The increased activism has been partly inspired by a best-selling book, *Last Child in the Woods*, and its author, Richard Louv." –The Washington Post "Last Child in the Woods, which describes a generation so plugged into electronic diversions that it has lost its connection to the natural world, is helping drive a movement quickly flourishing across the nation." –The Nation's Health "This book is an absolute must-read for parents." –The Boston Globe Now includes A Field Guide with 100 Practical Actions We Can Take Discussion Points for Book Groups, Classrooms, and Communities Additional Notes by the Author New and Updated Research from the U.S. and Abroad

Extraordinary Guidance Jun 15 2021 "Liza Wiemer opens doors to the soul that few of us realize even exist. Read this book, explore its methods, and open yourself to the wisdom to which each of us is heir." Rabbi Rami M. Shapiro, author of *Wisdom of the Jewish Sages* A complete guide for readers of any religion, *Extraordinary Guidance* teaches how to contact the spiritual guides that watch over every soul and apply their wisdom for practical results in your everyday life as well as for a richer spiritual life. In the late 1980s, channeling was the popular way to receive spiritual guidance. In the early '90s, angels became accessible. Now we know we can go directly to the source--to the spiritual guides themselves--and Liza Wiemer reveals how everyone can contact his or her own spiritual guides for invaluable life guidance. *Extraordinary Guidance* explains what spiritual guides are and provides easy and effective step-by-step instructions for connecting with them, including how to get in the right state of mind to talk with these powers that guide us. Through examples and personal anecdotes of her own spiritual guide, Wil, Wiemer shows how the discovery of the wisdom within enables people to make positive changes in their lives and help others to do the same, and, ultimately, to work toward bridging the gap between the spiritual and physical worlds.

Grounded Jul 17 2021 Taking our food system back is an act of revolution. Restoring the feminine is an act of sacred responsibility. Returning to the cycles of nature is an act of love. Grounding into the soil is an act of hope. The soil, the fertile ground beneath us, holds the key to the future of our planet and our species--yet few people are aware of the critical role soil health plays in reversing climate change. With *Grounded*, Dr. Erin Yu-Juin McMorrow takes us on a journey to explore the sacred interconnectedness between our soil and ourselves, seamlessly weaving the science of our broken carbon cycle and the oppression of the divine feminine into a powerful tapestry of hope and resilience. McMorrow is the voice of a generation that carries the future of our planet on their shoulders. "There's no other group of people to pass this on to," she writes. "If we want to create a world that we can keep living in, it's time, and it's us." In *Grounded*, McMorrow guides us through the inner and outer work needed to restore the divine feminine and save our planet. Highlights include:

The “brass tacks” of climate change—how everything from biodiversity loss to ocean acidification has roots in the killing of the microscopic life in our soil The fertile soil is feminine—and the destruction of our earth and the feminine go hand in hand Sex, birth, life, and death—how our natural cycles parallel the sacred cycles of nature How to create truly regenerative systems that celebrate the natural world’s infinite diversity, resilience, and abundance Practices to help you start making a difference right now—from personal reflections and meditations to seed saving and composting Finding hope in the sacred nature of this work—when we do our part, just as with all of nature, spirit fills in the rest Becoming grounded—root within to remember that you are of the earth, awaken your divine power, and expand in the world Grounded is both a clarion call and a revolutionary guide for restoring the sacred cycles that sustain all life. “With every step we take toward a more regenerative and abundant future,” McMorrow writes, “we engage in the important work of saving our soil—and our souls.”

Connecting with God Feb 21 2022 How can we experience god? God has communicated with his people throughout the ages in many ways. Adam and Eve encountered him directly in the Garden of Eden, Teresa of Avila experienced him through visions, and Francis of Assisi heard his voice in nature. This book gives practical advice for connecting on a deeply personal level with God. It uncovers new places to look for God, while providing reflection questions and activities to reinvigorate communication with God in such traditional areas as prayer and Bible study. Divided into twelve chapters conveniently organized for individual or group study, each section explores a different area in which we can deepen our individual communion with God. The Renovaré Spiritual Formation Guides, created by Richard J. Foster and the team that developed The Renovaré Spiritual Formation Bible and the longstanding A Spiritual Formation Workbook, provide tangible lessons that help us become spiritually formed, conformed, and transformed into the image of Jesus Christ. Geared for either individual study or use in small groups, each Renovaré Spiritual Formation Guide explores one facet of our life with God, providing readings from Scripture as well as classic and contemporary works of spirituality. The combination of readings, reflection questions, exercises, and activities makes these books invaluable interactive guides that prompt true spiritual growth.

Meet Your Soul Mar 01 2020 In this groundbreaking book, therapist and intuitive Elisa Romeo, takes Soul beyond an intellectual concept and into a direct and personal relationship. Pulling from depth psychology, years of practical experience, and touching stories from clients, Elisa brings substance and gravitas—and some levity—to the topic of how to live a Soulful life. This comprehensive, straightforward program contains effective meditations, visualizations, and inquiries to support you on the often messy, winding, and yet amusing path of discovering your Soul in modern times. Meet Your Soul not only tells you how to access your Soul connection but also preps you for some of the common obstacles you're likely to encounter on your journey. With her kind and informed direction, you'll learn to: •

Understand the crucial distinction between ego, Spirit, and Soul • Create and cultivate a strong spiritual practice • Distinguish your Soul Truth from the beliefs of family, friends, and society • Clearly access the voice of your Soul • Gain awareness of the key Soul contracts in your life and discover your Divine purpose This book helps you meet the oldest, wisest, and most loving part of yourself—the part that gives meaning and purpose to your life. Elisa shows that each of us has the capacity to hear this personal, unique guidance directly. You needn't look outside yourself to a guru, program, or system; rather you can simply look within.
