The Maverick and the Machine Feb 25 2022 A reformer who was always colorful, provocative, and controversial, Dan Walker became a political maverick, taking on Mayor Richard J. Daley's vaunted Chicago machine and the powerful incumbent Richard Ogilvie to become the governor of Illinois. **The Maverick and the Machine** tells the dramatic story of Walker's rise from dirt-poor beginnings to the pinnacle of power in Illinois and his conviction on charges of bank fraud that landed him in federal prison. This frank volume also probes the inner sanctum of the governorship and reviews the investigations of Governor Blagojevich's administration and the criminal trial of former governor George Ryan. Best Memoir of 2008, San Diego Book Awards Illinois State Historical Society

Certificate of Excellence, 2008

Yanks in the RAF Sep 10 2020 This is the story of American volunteer pilots who risked their lives in defense of Britain during the earliest days of World War II—more than a year before Pearl Harbor, when the United States first became embroiled in the global conflict. Based on interviews, diaries, personal documents, and research in British, American, and German archives, the author has created a colorful portrait of this small group who were our nation’s first combatants in World War II. As the author’s research shows, their motives were various: some were idealistic; others were simply restless and looking for adventure. And though the British air force needed pilots, cultural conflicts between the raw American recruits and their reserved British commanders soon became evident. Prejudices on both sides and lack of communication had to be overcome. Eventually, the American pilots were assembled into three squadrons known as the Eagle squadrons. They saw action and suffered casualties in both England and France, notably in the attack on Dieppe. By September 1942, after America had entered the war, these now experienced pilots were transferred to the US air force, bringing their expertise and their British Spitfires with them. As much social as military history, Yanks in the RAF

sheds new light on a little-known chapter of World War II and the earliest days of the sometimes fractious British-American alliance.

MAVERICK EFFECT Feb 02 2020

Maverick Mania Apr 05 2020 The disappearance of his soccer team's leading scorer during the championship finals leads sixteen-year-old Matt to investigate and entangles him in a possible kidnapping. If the Mavericks win just a few more games, they'll make it to the national soccer championship. There's only one catch. Their star player, Caleb Riggins, has disappeared. Matt Carr is determined to find his teammate and solve the mystery. He just didn't realize it would involve attack dogs, a mysterious golden bridge and a family who may not be who they seem. And the big game is only days away.

Topgun Jan 15 2021 NATIONAL BESTSELLER "If you loved the movie, you will love the real story in the book." -- Fox & Friends On the 50th anniversary of the creation of the "Topgun" Navy Fighter School, its founder shares the remarkable inside story of how he and eight other risk-takers revolutionized the art of aerial combat. When American fighter jets were being downed at an unprecedented rate during the Vietnam War, the U.S. Navy turned to a young lieutenant commander, Dan Pedersen, to figure out a way to reverse their dark fortune. On a shoestring budget and with little support, Pedersen picked eight of the finest pilots to help train a new generation to bend jets like the F-4 Phantom to their will and learn how to dogfight all over again. What resulted was nothing short of a revolution -- one that took young American pilots from the crucible of combat training in the California desert to the blistering skies of Vietnam, in the process raising America's Navy combat kill ratio from two enemy planes downed for every American plane lost to more than 22 to 1. Topgun emerged not only as an icon of America's military dominance immortalized by Hollywood but as a

vital institution that would shape the nation's military strategy for generations to come. Pedersen takes readers on a colorful and thrilling ride -- from Miramar to Area 51 to the decks of aircraft carriers in war and peace-through a historic moment in air warfare. He helped establish a legacy that was built by him and his "Original Eight" -- the best of the best -- and carried on for six decades by some of America's greatest leaders. Topgun is a heartfelt and personal testimony to patriotism, sacrifice, and American innovation and daring.

The Kronkosky Foundation Story Mar 17 2021 The Kronkosky Foundation Story provides a broad review of the twenty-five-year history of the Albert and Bessie Mae Kronkosky Charitable Foundation. Albert and Bessie Mae Kronkosky were committed to creating a legacy of “profound good” through charitable giving across four Texas counties that were dear to their hearts. The private foundation, formed in 1995 with a mission focused on health and human services (especially for children and the elderly), arts, and culture, has had a significant impact on San Antonio and the surrounding area. The book recounts the Kronkosky family’s history and how they came into the wealth that eventually led to the foundation’s creation. The nonprofit organization’s story is one of exemplary management and wide-ranging positive impact on a community, and an examination of how local giving has changed in recent decades. The Kronkosky Charitable Foundation exists in perpetuity, and their story stands as a testament to philanthropic commitment to a community.

Maverick's Sep 03 2022 With its massive faces, punishing rocks, and treacherous currents, Maverick's presents a surfing challenge like no other. Author Matt Warshaw has updated his critically acclaimed illustrated history of Maverick's to cover important recent developments, and we've added a fresh new cover to kick this edition off in style. "A fascinating account," to quote Surfer magazine, it takes "a cue from Sebastian Junger's The Perfect Storm...Warshaw focused on a single event...and expands on it to

illuminate an entire culture and its world beyond waves." The event was the death of celebrated surfer Mark Foo, one of those who congregate every winter to test themselves in the dark, foreboding waters. And what unfolds in Maverick's is no less than the story of big-wave surfing, from its ancient Hawaiian origins to modern tow-in riders. It's a book to be enjoyed not only by those who surf deep in the waves, but also by those whose taste for adventure is satisfied deep in the pages of a very good book.

Maverick May 19 2021 A lively history of Maverick family and a cultural exploration of the iconic word

The Maverick Effect Nov 12 2020 'The customs officer told me that I needed to leave samples of what I was exporting with him. I was forced to leave the floppy disk of the software with him. The diligent officer immediately planted a stapler pin through the floppy disk and attached it to the form, thereby destroying the media and rendering it unreadable. For the longest time, everybody's understanding of software differed immensely. This confusion continued into the 1980s, and it was getting challenging to grow the business. The more I met young software entrepreneurs, the more I realized that my frustration was not unique. Something had to be done.' In the mid-1970s, a young, twenty-something man living an American dream threw away a lucrative job as a database manager and came back to India. At that time, India had no IT industry to speak of; computers were a novelty, and the nation was trapped in socio-economic backwardness and a labyrinthine License Raj. As young Harish Mehta struggled to find his stride, he realized that India's nascent and fragmented IT industry acutely needed a unified voice that could speak to the government, change laws and harness the country's potential. In an unlikely alliance of headstrong and competing young professionals, he united other IT entrepreneurs to envision a world-beating association that would revolutionize Indian IT: NASSCOM.

The Maverick Effect is the extraordinary story of this band of dreamers who joined hands to transform a nation while also changing the lens through which the world looked at India. Valued at a staggering \$200 billion today, the Indian IT industry directly employs more than four million people. It is the largest forex earner and has helped millions of Indians beat poverty and rise to the middle-income group. Honest, open and inspiring, Harish Mehta's journey proves that no vision is impossible if unrelenting, kindred spirits unite.

A Maverick's Odyssey Dec 02 2019 An insiders point of view on how dangerous, deceptive, and disappointing mental health intervention can be to the uninformed, presented as a simple reference guide for the average person in need of mental health care. The book reviews the major issues involved in the domain of professional mental health intervention, with an overview of both pragmatic and theoretical considerations.

Maverick Men May 31 2022 In one of the most anticipated erotica titles this year, the story of Xtube.com's most popular porn couple is told by the two guys who lived it. Sparing no detail, the Maverick Men recount the steamy circumstances of how they met, fell in love, and transformed themselves from two regular guys into Internet celebrities. Along with hot sex and funny vignettes, we learn who these guys really are, and what their secret to success has been. MaverickMen.com "The hottest, most exciting piece of erotica I've read in years. In the case of the Maverick Men, truth is much better than fiction." - Jonathan Crutchley, owner of Manhunt.net

The Hate U Give Apr 17 2021 8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review)

"Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude."
—Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

Moving Maverick Oct 31 2019 "Do you remember what you promised?" Maverick: I haven't been back to Rabbit Island, South Carolina, since my parents died and my grandmother, Mimi, rejected me. I'm only returning now to attend her funeral and sell an estate I never wanted. But the moment I step foot on the island and fall into Beau's arms, I realize it might not be so easy to say goodbye after all. Beau Talmadge was always the boy next door, but now he's no longer a kid. The man is hot as hell and pushes all my buttons in the very best way. I'm supposed to leave in a week. Sell everything, close the door on my past, and walk away forever. So why am I letting myself fall for someone who lives thousands of miles away? And how the hell am I going to break it off when it's time to go? "That I'd come back." Beau: It took one short summer to fall in love with Maverick Mitchell and fifteen long years to forget him when he left. I'd never expected to see him again, but when he shows up at Mimi's

funeral looking lost and lonely I can't resist doing anything I can to comfort him. Falling into bed with Maverick is easy and the nights we spend together are as hot and steamy as a South Carolina thunderstorm. I know it's not smart. I know it's not what he planned. But dammit, Mav belongs in my arms, in my bed, and in my life. So how the hell do I get him to stay? "Took you long enough." Fair warning: Moving Maverick is a 73k word gay romance novel featuring sweet tea vodka, fancy salt and pepper shakers, guys catching crabs (not that kind), Aunt Tilly with a knife, and multiple detailed instances of man parts touching. Moving Maverick is the fifth book in the best-selling Made Marian series. It can be read on its own but is much more fun read as part of the series. The series begins with Borrowing Blue and each book follows a Marian brother's search for his HEA.

Maverick Autobiographies Aug 29 2019 Halverson examines why, and brings their texts back to light through a weaving of biography, literary analysis, and cultural history - in the process, urging us to reformulate our notions of what it means to be a "western writer." Halverson's discoveries will appeal to scholars and critics of Western American literature and women's studies."--BOOK JACKET.

Maverick the Buddy! Aug 10 2020 *Maverick the Buddy!* is a wonderful childrens story about a Jack Russel Terrier whose unkind behavior has positioned him to learn some valuable lessons about friendship. Challenged by his sister and friends Maverick realizes that humility and kindness are very important if you want others to be your friend. Truly a story that tugs at the heart strings of all of us, while reminding us that being gracious can make all the difference in the world.

Concrete Rose Dec 26 2021 International phenomenon Angie Thomas revisits Garden Heights seventeen years before the events of *The Hate U Give* in this searing and poignant exploration of Black boyhood and manhood. A Printz Honor Book! If there's one thing seventeen-year-old Maverick Carter knows, it's that a real man takes care of his family. As the son of a former gang legend, Mav does that

the only way he knows how: dealing for the King Lords. With this money he can help his mom, who works two jobs while his dad's in prison. Life's not perfect, but with a fly girlfriend and a cousin who always has his back, Mav's got everything under control. Until, that is, Maverick finds out he's a father. Suddenly he has a baby, Seven, who depends on him for everything. But it's not so easy to sling dope, finish school, and raise a child. So when he's offered the chance to go straight, he takes it. In a world where he's expected to amount to nothing, maybe Mav can prove he's different. When King Lord blood runs through your veins, though, you can't just walk away. Loyalty, revenge, and responsibility threaten to tear Mav apart, especially after the brutal murder of a loved one. He'll have to figure out for himself what it really means to be a man.

Maverick Among the Magnolias Jun 07 2020 When Hazel Brannon, newly graduated from the journalism school of the University of Alabama, said she wanted to "brighten her corner," her friends were hardly prepared for the denouement. Who would have expected that this "proper Southern young lady," as publisher of The Lexington Advertiser and three other weekly newspapers in darkest Mississippi, was to gradually renounce her racist views once she saw at first hand how the blacks were being mistreated? She called, in editorials and in her column, Through Hazel Eyes, for integrated schools, churches, libraries, public transportation and work places. She also demanded for blacks the right to vote, hold public office, serve as jurors and even to intermarry, an act which she had once branded as "a sin." For such apostasies, the editor, now Hazel Brannon Smith, was shunned by most of her former friends, harassed by lawsuits and subjected to smear attacks by the Ku Klux Klan, the white Citizens' Councils and the Mississippi State Sovereignty Commission. A boycott was launched against her by the white power structure, a rival newspaper was established, one of her newspaper offices was dynamited, another torched by arsonists and a cross was burned on her lawn, Despite receiving

economic aid from prominent journalists throughout the country to help keep her newspapers afloat, garnering the plaudits of important personages nationwide, winning a Pulitzer Prize and virtually every other prestigious journalistic award for her hard-hitting editorials, Mrs. Smith was always to be a prophet without honor among fellow whites in her own county. *Maverick Among the Magnolias* is the true, thrilling and touching story of a feisty, yet feminine, woman who not only witnessed and chronicled the civil rights struggles in her adopted Mississippi "through Hazel eyes," but, as Roy Steinfort of the First Amendment Center, Reston, Virginia, commented, "left a rich legend of courage for her journalistic survivors. Because of Smith's courage and contribution, Mississippi has changed for the better over the years. How many editors today would be willing to pay the price she did?"

Maverick Town Dec 14 2020 Once the rival of Dodge City and Cheyenne, for years Tascosa, Texas, lay a ghost town of crumbling adobes. Today almost all traces of frontier Tascosa are gone, replaced by the ultramodern stone buildings which make up a self-contained city of boys and administrative staff--Cal Farley's famed Boys Ranch. *Maverick Town* tells the story of the rise and decline of Old Tascosa, which epitomized the romance and danger of the early West. Tascosa's heyday was brief, yet it compressed into a few years the history of an era-- that of the open range--which will never return.

Surf's Up Oct 12 2020 *Surf's Up*, the latest CG-animated feature film from Sony Pictures Animation, is based on the "true story" of up-and-coming surfer Cody Maverick. The film follows Cody as he enters his first professional surf competition. Inspired by the legendary wave rider Big Z, Cody leaves his family and hometown of Shiverpool, Antarctica to travel to Pen Gu Island for the Big Z Memorial Surf Contest. Cody believes that fame and fortune will bring him the admiration and respect he craves, but when he meets a washed-up old surfer named Geek, Cody begins to understand that the greatest champion isn't always the one who comes in first. Get an inside look at the making of this incredible

film in Surf's Up: The Art and Making of a True Story, which is packed with a wealth of extras, including a DVD that details the digital image-making process, a teaser movie poster, a booklet on "Building a Digital Wave," vintage surfer postcards, a surfbook bookmark, and a commemorative Pen Gu Times newspaper. Starring Shia LaBeouf, Jeff Bridges, Zooey Deschanel, Jon Heder, James Woods, Mario Cantone, Deidrich Bader, Jane Krakowski, and Mindy Sterling, Surf's Up is directed by Ash Brannon (Toy Story 2) and Chris Buck (Tarzan). Sony Pictures Consumer Products and Insight Editions have partnered to create two incredible previous books, The Art of Open Season and The Art & Making of Monster House . Animation Magazine's rave review observed that Insight Editions and Sony "have raised the bar for movie tie-ins!"

Maverick! Oct 04 2022 Semco is one of Latin America's fastest growing companies - It is acknowledged to be the best in Brazil to work for and has a waiting list of job applicants - This book explains the management techniques that have produced this situation.

Maverick Mar 05 2020 A biography of Thomas Sowell, one of America's most influential conservative thinkers Thomas Sowell is one of the great social theorists of our age. In a career spanning more than a half century, he has written over thirty books, covering topics from economic history and social inequality to political theory, race, and culture. His bold and unsentimental assaults on liberal orthodoxy have endeared him to many readers but have also enraged fellow intellectuals, the civil-rights establishment, and much of the mainstream media. The result has been a lack of acknowledgment of his scholarship among critics who prioritize political correctness. In the first-ever biography of Sowell, Jason Riley gives this iconic thinker his due and responds to the detractors. Maverick showcases Sowell's most significant writings and traces the life events that shaped his ideas and resulted in a Black orphan from the Jim Crow South becoming one of our foremost public

intellectuals.

Maverick Aug 22 2021 *Maverick: Legend of the West* is an in-depth look at the classic television series created by Roy Huggins and starring James Garner.

Maverick Heart May 07 2020 In a novel of high-riding adventure and long-simmering desire, New York Times bestselling author Joan Johnston brings to life a sweeping story of lost love, shattering secrets, and a passion waiting to be reclaimed. More than twenty years ago, young Verity Talbot made the ultimate sacrifice to protect the man she loved: She married the brute who'd threatened to kill him. Verity, now the Countess of Rushland, also kept a shattering secret, allowing the son of Miles Broderick, Viscount Linden, to be raised as another man's heir. Now a widow, Verity and her grown son, Rand, arrive in the Wyoming Territory to begin a new life—only to face a reckoning. When Miles makes the stunning realization that he's just saved the life of the only woman he has ever loved—who chose to marry another man—he is torn between anger at her betrayal and uncontrolled desire. Miles is shattered and rages against fate when he learns the truth about the son he never knew existed—until Rand is captured by a Sioux warrior. Suddenly, Miles realizes that the only future worth living is one with Verity—as they race to rescue their son and fulfill their dreams.

Osho, the Luminous Rebel Sep 22 2021 *A Rebel, An Iconoclast, An Enlightened Mystic And An Intellectual Giant, Osho Is All This And More. Osho, The Luminous Rebel Traces The Story Of Osho From His Birth, Talking About His Spiritual Search For Truth And The Wondrous Story Of His Enlightenment. The Book Also Takes The Reader From The Early Years Of Osho's Struggle With Authority Figures, To The Much-Hyped City Of Rajneeshpuram In The Us And His Incarceration In Various Jails Across The Us. This Book Is For All Osho Lovers And Admirers, For The Uninitiated And Spiritually Inclined, And For Those Who Are Just Curious To Know More.*

Maverick Jun 19 2021 *Maverick* is a complete standalone novel and the second book about the rough and rugged Nelson brothers. Get ready for one wild alpha mountain man - Canada's never felt so hot! Forget playing it safe. John "Maverick" Nelson likes to live his life on the edge - literally. A crucial member of the search and rescue team in the mountainous British Columbian town of North Ridge, *Maverick's* brash and bold attitude means he's the first one to ascend into danger, no matter the risk. When it comes to women, though, *Maverick* errs on the side of caution. For all his cocky charm, rugged good looks and sexual swagger, he remains as unreachable as the surrounding peaks. Hot, wild sex? He'll tell you there's no better way to spend a cold, wintry night. Relationships? He'd rather freeze. That is until he lays his eyes on American Riley Clarke. Trading in the crippling expenses of Aspen for BC, Riley is North Ridge's newest member of their search and rescue team and the only woman on the job, which means spending a lot of time with Mav in adrenaline-pumping situations. With the chemistry between them hot enough to melt snow, keeping their hands off each other is detriment to the success of their team. Besides, *Maverick's* her boss and she didn't work her ass off in Colorado just to throw it all away for some mind-blowing sex. But when the worst winter in years sweeps in, Riley and *Maverick* will have to battle the elements along with their attraction for each other. And if either of them slip up, both of them will be in for a deep freeze

King of Hearts Aug 02 2022 Few of the great stories of medicine are as palpably dramatic as the invention of open-heart surgery, yet, until now, no journalist has ever brought all of the thrilling specifics of this triumph to life. This is the story of the surgeon many call the father of open-heart surgery, Dr. C. Walton Lillehei, who, along with colleagues at University Hospital in Minneapolis and a small band of pioneers elsewhere, accomplished what many experts considered to be an impossible feat: He opened the heart, repaired fatal defects, and made the miraculous routine. Acclaimed author

G. Wayne Miller draws on archival research and exclusive interviews with Lillehei and legendary pioneers such as Michael DeBakey and Christiaan Barnard, taking readers into the lives of these doctors and their patients as they progress toward their landmark achievement. In the tradition of works by Richard Rhodes and Tracy Kidder, *King of Hearts* tells the story of an important and gripping piece of forgotten science history.

The Longest Kill Jul 01 2022 In his memoir, "Craig catapults us into the heat of the action as he describes his active service in the Balkans, Iraq, and Afghanistan, and gives ... accounts of his sniper ops as he fought for his life on the rooftops of Basra and the barren hills of Helmand province"--Amazon.com.

Making Mavericks Jun 27 2019 When Richard "Frosty" Hesson was first approached by a young Jay Moriarty in 1990, the skinny kid with a sparkle in his eye only wanted one thing from the icon: his help in becoming a better surfer. Hesson, one of the first to conquer the huge waves off northern California known as Mavericks, recognized that the kid "had a vision." Jay quickly demonstrated a resolve that reminded Frosty of his younger self, pursuing his goal with a seriousness far beyond his years. His attitude and work ethic earned Frosty's respect and, eventually, his friendship. *Making Mavericks* is the inspiring story of their father-son bond and of the challenges that made each of them who they were—surf legends, and the subject of the upcoming film *Chasing Mavericks*. In *Making Mavericks*, Frosty talks about his turbulent youth spent under difficult circumstances, with parents who tried to find a positive way to handle a child with a passion for water and a disregard for his own safety. Throughout his life he developed principles to live by, principles that would become the core tenets of his teaching philosophy. Most significantly, Frosty talks about how one of his best students, Jay Moriarty, used his philosophy to become a surfing phenomenon, and whose life inspired the

phrase, “Live like Jay.” Affecting and poignant, *Making Mavericks* is a celebration of Hesson’s determination to live with joy and purpose, and his desire to help others do the same.

Maverick: the Story of Robert Six and Continental Airlines Apr 29 2022

Maverick Mogul Jan 03 2020 The Billionaire Bachelors are BACK! Fall for a new trope-tactic, fake dating rom-com read from USA Today bestselling author, Lila Monroe! Playboy bachelor Charlie Fox is handsome, charming — and looking for a date to the TWELVE weddings he’s attending this month. He’s topping the city’s ‘Most Eligible’ lists, but he needs a woman who won’t swoon at his feet — or go diving to catch that bouquet. A fake girlfriend is the perfect solution, he’s just not expecting a very familiar face to show up as his plus-one... Me. The last time I saw Charlie, he was playing Mr Popular at our high-school... while I was stuck being Miss Invisible. Now — thanks to a rogue Chihuahua, my frat-bro boss, and a gallon of gluten-free frosting — he’s making me an offer I really should refuse. Play his fake girlfriend for a summer of wild weddings? It’ll be worth it, as long as we can keep our hands to ourselves. And our mouths. And... other parts, too. As the wedding marathon gets underway, the sparks between us are anything but fake - and breaking the rules has never been so fun. Can ‘just for now’ turn into ‘forever’? Find out in the sizzling, hilarious new romance from “the reigning queen of romantic comedy” Lila Monroe! BILLIONAIRE BACHELORS SERIES: 1 Very Irresistible Playboy 2 Hot Stuff 3 Wild Card 4 Man Candy 5 Mr. Casanova 6 Best Man 7 Maverick Mogul 8 Renegade Roomie 9 Baller Boss 10 One-Week Wingman 11 Charming CEO ????? PRAISE FOR LILA ????? “A feel-good love story with wonderful characters and a hilarious and entertaining story.” - USA Today HEA Blog "Equal parts comedic, sexy, and sweet, it was just a pure delightful journey.” - Shayna Renee's Spicy Reads "I loved this story! The hotness level these two have behind closed doors will have you overheated! Lila Monroe is my go to author anytime I need a sexy rom-com."

Crystal's Book World. "I loved, loved, loved Very Irresistible Playboy. It's a laugh-out-loud adventure filled romance." - Reading Keeps Me Sane Blog "What a sexy, fun and sweet book! I loved every crazy moment. A sexy, steamy laugh out loud rom-com. A MUST READ! 5 stars!" - Fun Under the Covers "Romantic comedy at its best!" - Seraphim Books Reviews "Lila Monroe's writing is a sure thing to put me in a good mood especially in the gray days... I smiled all the time while reading it and these characters made my day so much better." - ItaPixie Reviews "I love the humor in Ms. Monroe's stories! They are outrageously funny! Add to that the romance and off the charts steaminess and you get one helluva story!" - Bibliophile Chloe "Lila Monroe is an author who knocks romantic comedy books out of the park. Her books are, sweet, spicy, romantic and so funny that you cannot help but fall in love with her characters and her stories." - Goodreads

The Secret Sheriff of Sixth Grade Sep 30 2019 A new hilarious, honest, and inspirational middle-grade novel about finding your inner hero, from the author of *Drums, Girls, & Dangerous Pie* In sixth grade, bad things can happen to good kids. Bullies will find your weakness and jump on it. Teachers will say you did something wrong when really didn't mean to do anything wrong. The kids who joke the loudest can drown out the quieter, nicer kids. Maverick wants to change all that. One of the last things his father left him was a toy sheriff's badge, back when Maverick was little. Now he likes to carry it around to remind him of his dad - and also to remind him to make school a better place for everyone . . . even if that's a hard thing to do, especially when his own home life is falling apart. **THE SECRET SHERIFF OF SIXTH GRADE** is a story about standing up for yourself - and being a hero at home and in the halls of your school.

American Maverick in Japan Nov 24 2021 I first met Richard Roa in the fall of 1989. I was in the middle of researching Tokyo Underworld and someone had suggested I interview him because he knew the main character of the book, Nick Zapetti, and also because he worked for a time as a consultant to the Toa-Sogo Kigyō, a real-estate/leisure outfit based in Roppongi, which was, in fact, a transmogrification of the infamous Tokyo gang, the Tōsei-kai, a yakuza organization which occupied another major part of the book. My scheduled two-hour interview with Rick Roa metastasized into several lengthy Q&A session because the stories this man had to tell were so damned interesting, starting with the chilling tale he told of being caught in a Tokyo mob run clip joint and what he had to do to get his money back. There was more-his hilarious tale of the American Train venture, his

experiences as a bartender in the Ginza's most exclusive (and expensive) hostess club, his adventures with Bobby Brown and Whitney Houston in Japan. But, unfortunately, I could not use much of the material because it did not impact directly on the central thesis of Underworld, which dealt with the corrupt side of the U.S.-Japan relationship. But I always thought that it would make a good book one day, and lo and behold, here it is. I'm sure readers will enjoy this book as much as I did. Robert Whiting, Kamakura, 2004 Author of The Tokyo Underworld

A Maverick Life Feb 13 2021 Examines the life and career of the motion picture and television actor, city councilman, mayor, and newspaper publisher, most famously known for playing James Garner's brother on the TV show Maverick.

Maverick One Jan 27 2022 The explosive sequel to the bestselling PATHFINDER. For the first time ever an elite British operator tells the gruelling story of his selection into the Pathfinders - Britain's secret soldiers. Pathfinder selection is a brutal physical and psychological trial lasting many weeks. It rivals that of the SAS and takes place over the same spine-crushing terrain, in the rain-and-snow-lashed wastes of the Welsh Mountains. For two decades no one has been able to relate the extraordinary trials of British elite forces selection - until now. Captain David Blakeley goes on from completing selection to serve with the Pathfinders in Afghanistan post 9/11, where he had a gun held to his head by Al Qaeda fighters. From there he deploys to Iraq, on a series of dramatic behind-enemy-lines missions - wherein he and his tiny elite patrol are outnumbered, outgunned and trapped. Maverick One is unique and extraordinary, chronicling the making of a warrior. It culminates in Blakeley fighting back to full recovery from horrific injuries suffered whilst on operations in Iraq, to go on to face SAS selection.

Maverick and Me Mar 29 2022 Dog lover and animal advocate Katherine Schwarzenegger draws

from her own experience with fostering and adopting dogs to create a picture book that introduces children to the concept of “adopt, don’t shop.” In the heartwarming story of Maverick and Me, Maverick is rescued by a kind-hearted stranger after being dumped on the side of the road. The little puppy’s luck takes a turn for the better when young Scarlett meets him at an adoption event. Scarlett is so moved by Maverick’s story that she and her mother decide to give him the forever home he is looking for. Each year, millions of dogs find themselves in shelters and with animal rescues through no fault of their own. Maverick will help teach children about these dogs and empower even young readers to advocate for shelter pups.

The Miracle of Maverick: An Inspiring True Story to Energize Your Heart and Make You Believe in Miracles Jul 21 2021 AN INSPIRING TRUE STORY of courage, compassion, and connection. More than just a bat, ball or big stadium... More than just a sick kid in a children's hospital... More than just one of the best professional athletes of all time...This touching true story of a young boy and a miracle is about a mother's hope for healing and a hero's determination to win. Are you looking for something inspiring, heartwarming, and feel-good to help you or a friend believe in miracles again?
