[War Without Glamour](#) May 19 2021 Emily Hobhouse was a British welfare campaigner, who is primarily remembered for bringing to the attention of the British public, and working to change, the deprived conditions inside the British administered concentration camps in South Africa built to incarcerate Boer women and children during the Second Boer War. This book is a facsimile of the book that was first published in 1924, with diaries of South African women.

[A Canadian Girl in South Africa](#) Oct 31 2019 Canadian woman writes of teaching in concentration camps following South African War in 1902.

[Painting the Map Red](#) Mar 29 2022 A detailed account of Canadian involvement

in South Africa's Anglo-Boer War and the impact it had on the country during the years 1899-1902 and beyond. Includes a few bandw photographs. Canadian card order no. C92-090380-0. Annotation copyrighted by Book News, Inc., Portland, OR

The Origins of the South African War, 1899-1902 Feb 25 2022 The South African War of 1899-1902 (it used to be known as the Anglo-Boer War) was not one of Britain's so-called imperial 'small wars'. It was the biggest, costliest and most humiliating war fought by Britain between 1815 and 1914, and the greatest of the wars which accompanied the Scramble for Africa. It was as important in the history of South Africa as the American Civil War in the history of the United States. Its origins have been the subject of debate and controversy from the very outset. In this welcome contribution to a distinguished series - based on extensive research in British and South African archives - Iain R. Smith has produced a masterly reappraisal of the subject. The book will surely establish itself as the definitive study for scholars and students; but it is also a vivid account of a dramatic and complex story, which will appeal to a far wider readership than specialists alone. Tracing the roots of the conflict into the first half of the nineteenth century, Dr. Smith shows how the conflict between Britain and the Transvaal republic intensified after the discovery of gold on the Witwatersrand in 1886. The resulting wealth and the influx of foreign, mainly British, Uitlanders transformed what had been a poor land-locked Boer republic into the hub round which the future of South Africa was to turn. The repercussions of this transformation - both within South Africa and on Britain's position there - provide the framework within which the book traces the road to war.

A Tourist Guide to the Anglo Boer War, 1899-1902 Dec 02 2019

South African War Books Jul 29 2019 With the hundredth of anniversary of the South African (or Boer) War of 1899-1902 fast approaching, the campaign is receiving increased attention from military enthusiasts of all types. R.G. Hackett's bibliography goes far beyond the bare listing of author, date, contents, etc. that one so often encounters, to become a unique evocation of the era. The original covers of over a hundred books of the period are shown, with several dozen in full color, often showing regimental badges and colors. Most books published before 1920 are covered, with the author drawing not only on previously published bibliographies, but the private records of London rare book dealers and individual collections such as that of the British actor Kenneth Griffith. With a more just society now prevailing in South Africa, the sympathy felt at the time for the Boers by some can once again be appreciated. In addition to many British regimental accounts, this compilation also contains accounts of women in the Boer war effort, Richard Harding Davis' shrewd observations, and the memoirs of a West Point graduate in the Irish-American Brigade in Boer service. *South African War Books* not only belongs in any comprehensive reference library, but will also be treasured by anyone seriously interested in the period of the colonial wars.

Encyclopedia of the Boer War Mar 17 2021 This A-Z reference work covers aspects of the Boer War, including its origins, military strategy and tactics, the main battles and sieges, the principal political and military figures, weaponry, the treatment of the wounded, and the use of

concentration camps.

The War with Johnny Boer Feb 02 2020

The South African War Oct 04 2022 *The South African War 1899-1902*

(variously known as the Anglo-Boer, or to Afrikaners as the English War, die Engelseoorlog, or the Second War of Freedom, Tweede Vryheidsoorlog) continues to generate considerable interest among authors and readers alike, fascinated by a conflict that embodied human drama, tragedy, heroism and military and political folly on a grand scale.

The Boer War Sep 03 2022 Martin Marix Evans' splendidly detailed account of the events of the Boer War, a conflict which marked a turning point in the development of military technology. Complete with first-hand accounts, and over 150 contemporary maps and photographs.

The Bugle Dec 14 2020 As part of the military band for centuries, bugle boys as young as fifteen were recruited to follow the British army into the field. At the time of the Anglo-Boer War 1899-1902 the custom was nearing the end of its useful life. In this story, based on historical events and characters, the fate of Albert Allgood the bugle boy on the side of the British is briefly linked to that of Willem Lategan, a farm boy who joins the Republican burgher forces. Due to Lord Kitchener's draconian methods and despite his age, Willem faces a charge of treason as a Cape Rebel, and makes the ultimate sacrifice that symbolises the unwillingness of the Boers to live under the yoke of British rule.

History of the War in South Africa, 1899-1902 Oct 24 2021

History of the Railways During the War in South Africa, 1899-1902 Jun 07 2020 "Detailed history of the use and importance of railways during the war in South Africa (the Boer War), written by Sir Edward Percy Cranvill Girouard, Director of Railways for the British South African Field Force. With chapters on the creation and control of a military railway staff, the Cape Government Railway, the Natal Railway, all facets of the Imperial Military Railways (construction, organisation by region, locomotives, railway telegraph, stores and accounts, etc.), and the use of armored trains."--Amazon

The Times History of the War in South Africa Oct 12 2020

Australia's Boer War Aug 10 2020 The great war in South Africa, fought a century ago between the British empire and the Boer republics, was the first war fought by people who called themselves Australians. Encompasses Australia's experiences of the war and also tells the stories of individuals. Commissioned by the Australian War Memorial.

New Zealanders in South Africa 1899-1902 Jun 27 2019 A good account of all ten NZ Contingents in the Boer War, it contains a very useful Roll of Honour both Killed in Action and Died of Wounds

Friends and Enemies Nov 24 2021 When the Boer Republics invaded Natal in 1899, the invaders could have been driven out with casualties measured in hundreds. Instead Britain was to lose nearly 9,000 men killed in action, more than 13,000 to disease and a further 75,000 wounded and sick were invalided back to Britain. The war ended in 1902 with a very unsatisfactory Peace Treaty. At the start of the conflict Britain's Generals were faced with problems new to the military establishment. Shows of force did little

to intimidate a determined opposition; infantry charges against a hidden enemy armed with modern rifles resulted in a futile waste of lives. Artillery could now destroy unseen targets at great range. Lack of mobility resulted in more than half the army being besieged in Ladysmith bringing with it concomitant civilian involvement. Some generals learnt quickly - others were slower and yet others still, perhaps through pride and stubbornness, refused to alter their ways and thus their men paid with their lives. The bravery and sacrifice of men during the campaign have been described in many books, as have the faults - real and imagined - of the generals. But little attention has been paid to the greatest blunder of all: a failure to take proper cognizance of local advice, opinion and capability. From the beginning, locally raised regiments demonstrated how the Boers might be defeated without incurring heavy casualties and, when they were finally given their head, they chased the invaders out of Natal while suffering only nominal casualties. This deeply researched study of the Boer War includes, for the first time, the experiences of the inhabitants of Natal - soldier and civilian, men, women and children, black and white. Diaries and letters vividly portray the actions at Talana, Elandsplaagte, Colenso, Acton Homes and Spion Kop, as well as the siege of Ladysmith in which 15,000 military personnel and 2,500 residents and refugees were incarcerated for four months, slowly but surely dying from starvation and sickness until their relief. Before, during and after the Boer War many myths were created and facts hidden to suit political ends. The result was that lessons, which should have been learned were never adequately understood or applied. With the West still engaged in foreign wars, these old mistakes should be remembered and not repeated. Friends and Enemies is the result of years of intensive research undertaken in archives in both South Africa and Britain. It offers an important and scholarly resource to students of nineteenth and twentieth century conflict.

The U.S. Army and Counterinsurgency in the Philippine War, 1899-1902 May 31 2022 After defeating the Philippine Republic's conventional forces in 1899, the U.S. Army was broken up into small garrisons to prepare Luzon for colonial rule. The Filipino nationalists transformed their resistance into a guerrilla warfare that varied so grea

The Boer War 1899-1902 Nov 05 2022 Victorious in its previous campaigns in Africa against native armies, Britain now confronted an altogether different foe. The Boers proved to be formidable opponents, masterfully compensating for inferior numbers with grim determination, resourcefulness and strong religious faith. Their mobility, expert use of cover, and knowledge of the terrain, in which they employed powerful long-range magazine rifles, gave them initial advantages. By contrast the British suffered from inadequate transport, insufficient mounted troops and poor intelligence. Despite marshalling the immense resources of their empire, the British were to be severely tested in a war which one general described as 'the graveyard of many a soldier's reputation'.

The Times History of the War in South Africa May 07 2020

History of the War in South Africa, Vol. 1 Sep 30 2019 Excerpt from *History of the War in South Africa, Vol. 1: 1899-1902* The decision of His Majesty's late Government, mentioned on the first page of this history, was not finally given till November, 1905. It was, therefore, not till December

12th, 1905, that I was able to obtain approval for the form in which the political facts connected with the war are mentioned in the first chapter. Since then the whole volume has necessarily been recast, and it was not possible to go to page proof till the first chapter had been approved. Hence the delay in the appearance of the volume. I took over the work from Colonel Henderson in July, 1903. He had not then written either narrative of, or comments on, the. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Black People and the South African War 1899-1902 Dec 26 2021 This book focuses upon the wartime experiences of black people, and to examine the war in the context of a complex and rapidly changing colonial society increasingly shaped, but not yet transformed, by mining capital.

A Warrior's Gateway Jun 19 2021 This publication is a history of Durban during the time of the Anglo-Boer War (1899-1902). What difference did the war make to Durban? What impact did it have on the political, military, social and economic life of the town?

Cassell's History of the Boer War, 1899-1902; Nov 12 2020 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Boer War, 1899-1902 Feb 13 2021 The Boer War pitted the might of the British Empire (with more than half a million men mobilized) against 80,000 South African Boers--and this detailed and lavishly illustrated history goes right to the heart of the struggle. A timeline gives at-a-glance information on what spurred the conflict and how the events unfolded, while eyewitness accounts from soldiers of all ranks describe the brutality from both viewpoints. The in-depth narrative, by a renowned historian, studies the strategies, politics, and social implications of the strife, and looks at some of the major figures involved--including Winston Churchill. In more than 200 pictures, including hundreds of vintage photographs, follow the road to war, the first offensives, the guerrilla fighting, and finally the road to peace. Illuminating. The Anglo-Boer War, 1899-1902 Aug 02 2022

Practically Over - Anglo-Boer War 1899-1902 Aug 29 2019 Each of the parts of Practically Over is an account of a particular action during the Anglo Boer war of 1899-1902. Both English and Afrikaans sources, both primary and secondary, have been used to write the narrative but each and every one of the battle sites of the clashes reported here have been physically visited by the author, in some cases a number of times. Many of the maps and diagrams have been drawn by hand, but from sources such as the modern survey maps and also from the Imperial maps of 1900 which bear the signature of Colonel G.F.R. "Frank" Henderson. Political aspects are largely avoided as many aspects of the war remain sensitive for some of South Africa's population groups. Even so not everyone will agree with the conclusions drawn. There are at least two sides to every question - and often many more.

The Colonials in South Africa, 1899-1902 Jul 01 2022

The War for South Africa Apr 05 2020 New version of: The South African War, 1899-1902. London: Arnold, 1999.

Drummer Hodge Jan 27 2022

Managing the South African War, 1899-1902 Apr 29 2022 Of all the wars fought by Britain between 1815 and 1914, the South African War was the most extensive and costly. This book offers a survey of the disputes which arose between the British government and the era's most famous soldiers.

South African War Honours and Awards 1899-1902 Jul 21 2021 This detailed reference work was compiled from official sources. It records the glories of the British Army and Navy during the Boer war, listing regiment by regiment all honours and awards, mentions in despatches and officers' promotions. Originally published by the Army and Navy Gazette in 1903, it details the period November 23rd 1899 to March 6th 1903. Included also is a listing of actions, with the units involved and the regimental casualties. South African War Honours and Awards is a source work of great value to military historians and, especially, to medal collectors.

Philately of the Anglo-Boer War, 1899-1902 Apr 17 2021 Buren-Krieg, Boer and British occupation stamps, covers, Canadian contingent, postmarks, censorship, field post offices, prisoner of war mail, refugee camps, cancellations, South Africa, postage stamps.

A War of Frontier and Empire Sep 22 2021 It has been termed an insurgency, a revolution, a guerrilla war, and a conventional war. As David J. Silbey demonstrates in this taut, compelling history, the 1899 Philippine-American War was in fact all of these. Played out over three distinct conflicts--one fought between the Spanish and the allied United States and Filipino forces; one fought between the United States and the Philippine Army of Liberation;

and one fought between occupying American troops and an insurgent alliance of often divided Filipinos--the war marked America's first steps as a global power and produced a wealth of lessons learned and forgotten. First-rate military history, *A War of Frontier and Empire* retells an often forgotten chapter in America's past, infusing it with commanding contemporary relevance.

The Philippine War, 1899-1902 Aug 22 2021 "Brian Linn provides a treatment of military operations in the Philippines. From the pitched battles of the early war to the final campaigns against guerrillas, Linn traces the entire course of the conflict. More than an overview of Filipino resistance and American pacification, this is a detailed study of the fighting in the "boondocks." "In addition to presenting a military history of the war, Linn challenges previous interpretations. Rather than being a clash of armies of societies, the war was a series of regional struggles that differed greatly from island to island. By shifting away from the narrow focus on one or two provinces to encompass the entire archipelago, Linn offers a more thorough understanding of the entire war."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

America in the Philippines, 1899-1902 Sep 10 2020 *America in the Philippines, 1899-1902: The First Torture Scandal* analyzes the US army's use of the 'water cure' torture in the Philippine War and the ensuing political scandal that resulted. Drawing on primary source documents to construct a detailed narrative history of the events, the book also proposes an original theory for the causes of torture, which emphasizes the moral agency of low-level actors. Einolf uses the historical debate to illuminate theories of present-day human rights advocacy. The conclusion relates the Philippine War case to the more recent use of torture under the George W. Bush administration and makes recommendations for researchers and advocates.

The Hall Handbook of the Anglo-Boer War, 1899-1902 Jan 15 2021 This work is a reference for military information regarding opposing forces and other key features of war. The handbook supplies details on subjects including: the Boer forces; the British Army; the Royal Navy; the battles, deployment and reorganization of forces; decorations and medals; casualties and war graves; black, Indian and coloured participation; blockhouses and concentration camps; and accoutrements and cost of the war.
