A Promised Land Nov 23 2021 A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

We Are the Change We Seek Dec 01 2019 A collection of Barack Obama's greatest speeches, now including his farewell address, selected and introduced by columnist E.J. Dionne and MSNBC host Joy-Ann Reid. We Are the Change We Seek is a collection of Barack Obama's 27 greatest addresses: beginning with his 2002 speech opposing the Iraq War and closing with his emotional farewell address in Chicago in January 2017. As president, Obama's words had the power to move the country, and often the world, as few presidents before him. Whether acting as Commander in Chief or Consoler in Chief, Obama adopted a unique rhetorical style that could simultaneously speak to the national mood and change the course of public events. Obama's eloquence, both written and spoken, propelled him to national prominence and ultimately made it possible for the son of a Kenyan man and a white woman from Kansas to become the first black president of the United States. These speeches span Obama's career—from his time in state government through to the end of his tenure as president—and the issues most important to our time: war, inequality, race relations, gun violence and human rights. The book opens with an essay placing Obama's oratorical contributions within the flow of American history by E.J. Dionne Jr., columnist and author of Why The Right Went Wrong, and Joy Reid, the host of AM Joy on MSNBC and author of Fracture.

The Presidential Difference Sep 21 2021 Compares thirteen presidential roles from Franklin Roosevelt to William Clinton, and focuses on their political skill, communication style, organizational ability, and much more.

The Presidency of Barack Obama May 18 2021 An original and engaging account of the Obama years from a group of leading political historians Barack Obama's election as the first African American president seemed to usher in a new era, and he took office in 2009 with great expectations. But by his second term, Republicans controlled Congress, and, after the 2016 presidential election, Obama's legacy and the health of the Democratic Party itself appeared in doubt. In The Presidency of Barack Obama, Julian Zelizer gathers leading American historians to put President Obama and his administration into political and historical context. These writers offer strikingly original assessments of the big issues that shaped the Obama years, including the conservative backlash, race, the financial crisis, health care, crime, drugs, counterterrorism, Iraq and Afghanistan, the environment, immigration, education, gay rights, and urban policy. Together, these essays suggest that Obama's central paradox is that, despite effective policymaking, he failed to receive credit for his many achievements and wasn't a party builder. Provocatively, they ask why Obama didn't unite Democrats and progressive activists to fight the conservative counter-tide as it grew stronger. Engaging and deeply informed, The Presidency of Barack Obama is a must-read for anyone who wants to better understand Obama and the uncertain aftermath of his presidency. Contributors include Sarah Coleman, Jacob Dlamini, Gary Gerstle, Risa Goluboff, Meg Jacobs, Peniel Joseph, Michael Kazin, Matthew Lassiter, Kathryn Olmsted, Eric Rauchway, Richard Schragger, Paul Starr, Timothy Stewart-Winter, Thomas Sugrue, Jeremi Suri, Julian Zelizer, and Jonathan Zimmerman.

Barack Obama Jul 08 2020 When David asks his mother about the man on television, she tells him the story of Barack Obama, discussing his childhood in Hawaii and Indonesia, his parents' divorce and his desire to help others. Reprint.

The Rise of Barack Obama Apr 28 2022 A collection of exclusive photographs with explanatory text captures Barack Obama's political career, from his first day in the U.S. Senate to the early months of his presidential campaign.

Gangster Government Jun 26 2019 And in this new and stunning book, New York Times best-selling author David Freedoso (The Case Against Barack Obama) provides the much-needed exposé of an administration that has brought Chicago-style corruption and strong-arm politics to Washington, looking to reward its friends (the unions, federal workers, and other liberal interest groups) and punish its enemies (the private sector workers and taxpayers who foot the bill for Obama's massive expansion of the federal government).

Renegades Mar 04 2020 NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. Renegades: Born in the USA is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the Renegades podcast recording sessions • Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

Barack Obama Book Mar 28 2022 University Press returns with another short and captivating portrait of one of history's most compelling figures, Barack Obama. Barack Obama is considered one of the most significant figures of the 21st century. He was the first African-American President of the United States, his signature "Obamacare" Patient Protection and Affordable Care Act extended health insurance coverage to 20 million Americans, he is credited with pulling the American economy back from the brink of an economic depression, he expanded federal hate crime laws to include crimes motivated by a victim's gender or sexual orientation, he ended the "don't ask, don't tell" policy in the U.S. armed forces, his administration urged the Supreme Court to strike down same-sex marriage bans (which it did), he nominated two women (and America's first Hispanic) to the Supreme Court, he substantially escalated the use of drone strikes against terrorists associated with al-Qaeda and the Taliban, he committed the United States to the Paris Agreement on global climate change, he brokered the JCPOA nuclear deal with Iran, he normalized U.S. relations with Cuba, and he won the Nobel Peace Prize. Barack Obama was born in Honolulu, Hawaii on August 4, 1961. His mother was a white American from Kansas. His father was a black East African from Kenya. He grew up in Seattle, Honolulu, and Jakarta, attended college in Los Angeles, graduated from Columbia University in New York, graduated from Harvard Law School in Cambridge, met and married his wife, Michelle, in Chicago, and, for eight years, lived in the White House in Washington D.C. This short book tells the intensely human story of a man who changed the world in a way that no one else could.

Barack Obama Nov 11 2020 In this insightful biography, Burton I. Kaufman explores how the political career of Barack Obama was marked by conservative tendencies that frustrated his progressive supporters and gave the lie to socialist farmongering on the right. Obama's was a landmark presidency that paradoxically, Kaufman shows, resulted in few, if any, radical shifts in policy. Following his election, President Obama's supporters and detractors anticipated radical reform. As the first African American to serve as president, he reached the White House on a campaign promise of change. But Kaufman finds in Obama clear patterns of classical conservatism of an ideological sort and basic policy-making pragmatism. His

commitment to usher in a multiracial, multiethnic, and multicultural society was fundamentally connected to opening up, but not radically altering, the existing free enterprise system. The Affordable Care Act, arguably President Obama's greatest policy achievement, was a distillation of his complex motivations for policy. More conservative than radical, the ACA fitted the expansion of health insurance into the existing system. Similarly, in foreign policy, Obama eschewed the use of force to affect regime change. Yet he kept boots on the ground in the Middle East and supported ballot-box revolts geared toward achieving in foreign countries the same principles of liberalism, free enterprise, and competition that existed in the United States. In estimating the course and impact of Obama's full political life, Kaufman makes clear that both the desire for and fear of change in the American polity affected the popular perception but not the course of action of the forty-fourth US president.

Barack Obama and the Enemies Within Apr 16 2021 A history about those who advise, mentor, and operate behind the throne of the 44th President of the United States, Barack Obama. Barack Obama: The Voice of an American Leader Sep 09 2020 By any measure, the 2008 presidential race has been historic. The race has created an enthusiasm and a high degree of interest in politics few have ever seen before. At the center of the race is Barack Obama, the first African American to become the presumptive Democratic nominee. Many Americans agree with his politics, and many don't, but most agree he is an incredible force in today's highly-charged political world, and has come along at one of the most crucial, difficult times in our nation's history. For a sense of what has transpired in this campaign and how it is different from others in America's history, this book looks at one candidate from the perspective of quotations, made by and about Barack Obama. Thematically arranged chapter highlight topics including Obama's heritage, his family, state and national politics, his run for the presidency, the issues of the day, community activism and service, and thoughts on race and faith. Each chapter contains an introduction and many of the quotations are supported with background information to give students and general readers a better understanding of the current events and political issues at play. Ideal for student assignments as well as for reading cover to cover, this volume offers the most representative, revealing, and often controversial quotes by and about a man who has created a movement in American politics.

The Audacity of Hope Dec 25 2021 #1 NEW YORK TIMES BESTSELLER • Barack Obama's lucid vision of America's place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate "In our lowdown, dispiriting era, Obama's talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope." —Michael Kazin, *The Washington Post* In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of hope." The Audacity of Hope is Barack Obama's call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the "endless clash of armies" we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of "our improbable experiment in democracy." He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama's vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes— "waiting for Republicans and Democrats to catch up with them."

Who Is Barack Obama? Jul 28 2019 Who is Barack Obama? Who is Barack Obama? His opponents did well to paint obscure pictures of him. One of the questions still lingering on the electorate's mind from the 2008 presidential elections has been: Is Obama a Moslem or a Christian? As the 2012 election approaches many may still be wondering if the question is settled. You can rest assured that the same question would be raised again by his opponents in 2012. May be like many you are also wondering what the true answer is. Well if you are then this is the book for you. In this book you will not only find out the religious affiliation of Obama but you will also find more answers likely to be raised in 2012 such as: Is Barack Obama the anti-Christ? Is Barack Obama a terrorist? Is Barack Obama the black icon of the 21st century? Is Obama an icon of a post-racial age? Does Obama embody inter nations? Does Obama symbolize multi-culturalism? Does Obama compare with Mahatma Gandhi and the legendary Martin Luther King? Does Barack Obama exhibit an extraordinary capacity to transcend historical racial divides? Can you trust Barack Obama? You deserve to know the truth.

Dream Big Dreams Jan 02 2020 From former Chief Official White House Photographer Pete Souza comes a book for young readers that highlights Barack Obama's historic presidency and the qualities and actions that make him so beloved. Barack Obama Sep 02 2022 From one of our preeminent journalists and modern historians comes the epic story of Barack Obama and the world that created him. In *Barack Obama: The Story*, David Maraniss has written a deeply reported generational biography teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of Obama's white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. *Barack Obama: The Story* chronicles as never before the forces that shaped the first black president of the United States and explains why he thinks and acts as he does. Much like the author's classic study of Bill Clinton, *First in His Class*, this promises to become a seminal book that will redefine a president.

Barack Obama Feb 24 2022 The #1 New York Times bestselling picture-book biography of President Barack Obama is now in paperback. Ever since Barack Obama was young, Hope has lived inside him. Dreams from My Father Sep 29 2019 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his

early days, Barack Obama " guides us straight to the intersection of the most serious questions of identity, class, and race " (The Washington Post Book World). " Quite extraordinary. " —Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother ' s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father ' s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* " Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride ' s *The Color of Water* and Gregory Howard Williams ' s *Life on the Color Line* as a tale of living astride America ' s racial categories. " —Scott Turow " Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither. " —The New York Times Book Review " Obama ' s writing is incisive yet forgiving. This is a book worth savoring. " —Alex Kotlowitz, author of *There Are No Children Here* " One of the most powerful books of self-discovery I ' ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel. " —Charlayne Hunter-Gault, author of *In My Place* " *Dreams from My Father* is an exquisite, sensitive study of this wonderful young author ' s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white. " —Marian Wright Edelman

Barack Obama, Prophecy, and the Destruction of the United States Jun 30 2022 "Barack Obama, Prophecy, and the Destruction of the United States" explains about how, by virtue of his background and policies, Barack Obama is fulfilling, and will continue to help fulfill, various prophecies that will lead to the destruction of the United States. Not intended as an anti-Democratic nor pro-Republican book, "Barack Obama, Prophecy, and the Destruction of the United States" also tells the truth about Republican leaders and why their practices would also lead to destruction. It answers questions such as is Barack Obama apocalyptic? And is Barack Obama the Antichrist? Citing Islamic, Kenyan, Catholic, Byzantine, and Bible prophecy, as well as the writings of Nostradamus and others, "Barack Obama, Prophecy, and the Destruction of the United States" explains from many sources where, why, when, and even some of how, the various aspects of destruction will come. Since Dr. Thiel first wrote about Barack Obama in his 2009 book, the Obama Administration has taken steps to fulfill, at least partially, at least a dozen predictions that Dr. Thiel recorded. More will be fulfilled as well. Would you like to learn more about what Barack Obama has done and the real direction that the United States and its British-descended allies such as the United Kingdom, Canada, Australia, and New Zealand are really going? This highly referenced book documents the truth about this.

Is Barack Obama's Birth Certificate a Fraud? Jan 14 2021 The Book That Will "Reshape" How Americans Understand The Barack Obama "Birther" Controversy Even after Barack Obama's release of an official long-form birth certificate online, a Gallup poll showed that fewer than half of Americans are fully convinced that Barack Obama was actually born in the United States. In a single month, more than 700 YouTube videos were posted on whether or not the long-form birth certificate is a fake -- with the vast majority claiming, based on examinations of the computer file, that it is. These videos alleging fraud have been viewed more than 3 million times -- and counting. In "Is Barack Obama's Birth Certificate A Fraud?" John Woodman, a computer professional and registered Republican, closely examines the evidence to find out which -- if any -- of these claims "hold water." From "layers" to "kerning" to the out-of-sequence birth certificate number and beyond, he honestly investigates more than 30 different theories concerning the certificate. He contests ideas, explains "why" we see the things we see -- and reveals startling "new information" about the certificate "not previously revealed anywhere else." Complete with more than 70 illustrations, this book is a must-read for all who wish to truly understand the "birther" controversies.

The Stranger Apr 04 2020 Chuck Todd's gripping, fly-on-the-wall account of Barack Obama's tumultuous struggle to succeed in Washington. Barack Obama won the presidency in 2008 partly because he was a Washington outsider. But if he'd come to the White House thinking he could change the political culture, he soon discovered just how difficult it was to swim against an upstream of insiders, partisans, and old guard networks allied to undermine his agenda—including members of his own party. He would pass some of the most significant legislation in American history, but his own weaknesses torpedoed some of his greatest hopes. In *THE STRANGER*, Chuck Todd draws upon his unprecedented inner-circle sources to create a gripping account of Obama's White House tenure, from the early days of drift and helplessness to a final stand against the GOP in which an Obama, at last liberated from his political future, finally triumphs.

The Black Presidency Jan 26 2022 A provocative and lively examination of the meaning of America's first black presidency, by the New York Times bestselling author of *Tears We Cannot Stop*. Michael Eric Dyson explores the powerful, surprising way the politics of race have shaped Barack Obama ' s identity and groundbreaking presidency. How has President Obama dealt publicly with race—as the national traumas of Tamir Rice, Trayvon Martin, Michael Brown, Eric Garner, Freddie Gray, and Walter Scott have played out during his tenure? What can we learn from Obama's major race speeches about his approach to racial conflict and the black criticism it provokes? Dyson explores whether Obama ' s use of his own biracialism as a radiant symbol has been driven by the president ' s desire to avoid a painful moral reckoning on race. And he sheds light on identity issues within the black power structure, telling the fascinating story of how Obama has spurned traditional black power brokers, significantly reducing their leverage. President Obama ' s own voice—from an Oval Office interview granted to Dyson for this book—along with those of Eric Holder, Al Sharpton, Jesse Jackson, Andrew Young, and Maxine Waters, among others, add unique depth to this profound tour of the nation ' s first black presidency. " Dyson proves...that he is without peer when it comes to contextualizing race in twenty-first-century America... A must-read for anyone who wants to better understand America ' s racial past, present, and future. " —Gilbert King, author of the Pulitzer Prize-winning *Devil in the Grove* " No one understands the American dilemma of race—and Barack Obama ' s confounding and yet wondrous grappling with it—better than [Dyson.] " —Douglas Blackmon, author of the Pulitzer Prize-winning *Slavery by Another Name*

[The Final Antichrist Barack Obama](#) Oct 11 2020 Do you believe that God can reveal to his people the identity of the future Antichrist before he reveals himself? Many people claim that God has given them a dream or spoken to them directly that Barack Obama is the Antichrist. The purpose of this book is to present to you the evidence that points to Barack Obama being the Antichrist of the Bible. Most of the evidence is made of many small pieces that, by themselves, cannot convict anyone of being the Antichrist; since he has not yet made himself known. However, like pieces of a jigsaw puzzle when put together forms a picture, those pieces give us a picture of the final Antichrist. God gives us signs as a way of speaking to us, and he has given us much evidence that Obama is the Antichrist, from 666 appearing, to people who had dreams and visions that Obama is the Antichrist. And while Obama was president, he did many things that caused people to believe that he could be the Antichrist in the minds of many people. Because of his actions while president, so many people were saying that Obama is the Antichrist that it became a published news story in mainstream newspapers and news networks, even the L.A. Times and Newsweek. This book gives all the evidence, starting with a brief biography of Obama showing what he has done, revealing his connections to radical Islam, and even his relationship to Satan himself! And he has continued to act against America after leaving office. Finally, he is well-loved in many nations of the world, and could easily become the ruler of another country. Two chapters of dreams and prophecies are included. If only two or three people said God revealed to them that Obama is the Antichrist, it would not be important, but it has happened to dozens, perhaps hundreds or thousands of people. They usually ask God, "Who is the Antichrist?" and he gives them a dream or tells them that it is Obama, often to their surprise. Do you really believe that the Antichrist will come without God warning us so we can prepare? No, God will warn us!

The Secret Life of Barack Hussein Obama Aug 09 2020 WHO IS BARACK HUSSEIN OBAMA? 2008, the left wing and the Corporate Mainstream Media (CMM) fell head over heels in love with a cool, charming, and attractive smooth talker. His social security number (one of several, incidentally) identified him as Barack Hussein Obama. Over the next four years, he would repeatedly lie to, cheat on, and deceive his liberal lovers as they closed their eyes and ears to the truth, refusing to recognize the shameless, deviously calculated, and treacherous propaganda seeping from the White House. GOD HELP AMERICA, IT ' S TIME FOR A SEPARATION. In *The Secret Life of Barack Hussein Obama*, uncompromising journalist and political commentator Mondo Frazier raises unsettling questions about the man elected to the highest position in this country. Frazier takes what he calls *The Obama Narrative™*, the crowd-pleasing myths perpetrated by Team Obama and the CMM to market and sell their Messianic savior, and fearlessly rips it to shreds. He explores the many mysteries of Obama ' s past, including his ever-shifting religious affiliations and political leanings, the facts of his mother ' s background, and Obama ' s suspiciously " missing " laundry list of records and licenses—including college, marriage, medical, and many, many more. He lays out the facts regarding Obama ' s shady associations with such negligible headlines as the controversial Reverend Jeremiah Wright, ACORN, and former domestic terrorist Bill Ayers—and Obama ' s actual relationships with those who stumbled into his creepy inner circle. He sheds light on Obama ' s personal " Hate List, " and the man ' s dark deceptions, broken promises, and the hypocrisies of his current administration. Frazier also reveals four years of Obama ' s outrageous, egregious, sometimes hilarious, and always very telling public gaffes that the CMM conveniently and deliberately chose to ignore. SO, WHO IS BARACK HUSSEIN OBAMA? Anyone with guts who tries to answer that question truthfully risks being routinely disparaged and condemned by the CMM as a Nazi, a racist, or a crazy conspiracy theorist. Mondo Frazier courageously turns a blind eye to those foolish generalizations to provide scrupulously researched, eye-opening answers in *The Secret Life of Barack Hussein Obama*. Frankly, they will astonish readers. And they serve as warnings of Obama ' s insidious and sinister ambitions, ones that should be faced now so as to move America away from the " Barackalypse " and toward a future that is safer, genuinely righteous, and one-hundred-percent Obama-free. WELCOME TO BARACK HUSSEIN OBAMA ' S AMERICA Trillion-dollar-plus deficits every year; Social Security out of money years before the " experts " predicted; millions of houses lost in an automated robo-foreclosure system; billions for cronies who traffic in make-believe jobs " saved or created; " real jobs that disappeared, some never to return; food and energy prices on the rise; the IRS empowered to ensure that every American has approved health

insurance; crackdowns on Internet freedoms; a war against contrary thought; billions of dollars to help Brazilian and Chinese energy companies while the extraction and production of American-based energy is stifled—and the list goes on. Every speech delivered by Barack Obama is still his "greatest speech ever!" in the reports of a drooling Corporate Mainstream Media (CMM). An ever-skeptical public hasn't been convinced and are tuning out the constant drone of the CMM noise machine. Life is lived not in the pages or sets of the CMM, but out in the real-world America that has resulted from the policies and rhetoric of Barack Obama and his administration. The Barackocalypse is already upon us.

Barack Obama Jun 18 2021 The 44th President of the United States of America. A look back at the most memorable moments of Barack Obama's extraordinary life, beloved family and historic political career. It's been a over a decade since Barack Obama made history when he was elected America's first black president. During his eight years in the White House, he brought about incredible change: He reformed health care, legalized same-sex marriage and ordered the military operation that resulted in the death of September 11 mastermind Osama bin Laden. This book takes a close look at Obama's life: From his lonely childhood in Hawaii and formative college years to how the relatively unknown Illinois Senator beat veteran Senator John McCain in the 2008 election. It also reveals how Michelle Obama sacrificed her career and family life in order for her husband to achieve his dream of becoming president. Plus, what the Obamas have been up to since they left the White House, and what's next for them.

A Promised Land Oct 03 2022 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy—and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. **A Promised Land** is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in **A Promised Land** is the former president's candour' David Olusoga, Observer
